Free Roll Brandt Tobler 2017-05-22 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Take a Breath Karen A Kelly 2017-12 In this true story, Dr. Karen A. Kelly shares her husband's journey through a life-saving lung transplant. Learning about his battle can help any patient or caregiver understand the extensive responsibilities required for a successful organ transplant. As a pediatrician, Dr. Kelly found herself in a different role as caretaker not provider.

Don's Brother Mike Stephens 2014-03-04 What did one man do when faced with the unspeakable, untimely loss of his younger brother? He set out on a 2,186-mile thru-hike of the Appalachian Trail. Now he shares his journey of healing on the higher road in *Don's Brother: A Hike of Hope on the Appalachian Trail*. A tribute to faith, family, and personal fortitude, this moving account will captivate outdoor enthusiasts and anyone who is navigating the tough emotional terrain of grief. When the author's younger brother, Don, was diagnosed with ALS, Stephens promised to complete a thru-hike of the Appalachian Trail. However, the author may not have mentioned his method of doing so. Rather than carrying a full pack every day, he only occasionally slept in the woods, instead often opting for shuttles to nearby "trail towns" and beds. Along the way, he also committed to sharing Don's story, using the trail name "Don's Brother" and raising awareness for ALS. While reflecting on his brother's deep faith, devotion to family, and resolve in the face of his horrendous disease, the author's personal accomplishment and profound healing will move anyone to hit the road and take heart in the boundless capacity of brotherly love.

The Love Labyrinth Pamela D. Beverly 2017 Noelle Harrison is a hardworking wife and mother, who resents her husband Wayne's constant forays out of town for work.

Unhappy with the direction her life has taken, she literally bumps into a man who winds up becoming the other man.

Metaphysics as a Guide to Morals Iris Murdoch 1994-03-01 The decline of religion and ever increasing influence of science pose acute ethical issues for us all. Can we reject the literal truth of the Gospels yet still retain a Christian morality?

Can we defend any 'moral values' against the constant encroachments of technology? Indeed, are we in danger of losing most of the qualities which make us truly human? Here, drawing on a novelist's insight into art, literature and abnormal psychology, Iris Murdoch conducts an ongoing debate with major writers, thinkers and theologians—from Augustine to Wittgenstein, Shakespeare to Sartre, Plato to Derrida—to provide fresh and compelling answers to these crucial questions.

The Ghost Journal - Memoirs of a Ghost Tour Guide in Williamsburg, Virginia Emily Christoff-Flowers 2014-08-03 Emily is an ordinary mom and wife living in the colonial city of Williamsburg, Virginia. When she got a job working in a 300 year old southern plantation turned time share, she started witnessing some of the most bizarre and well documented paranormal activity in recent times. In this book about her real life encounters with ghosts you will take an incredible journey into the lives of the spirits that still walk the halls of this amazing home. Until recently the ghosts residing in the manor house were a dark secret, but now the truth is out. You will meet the specters of innocent slaves, Civil War soldiers and an angry prisoner that lurks in the dark depths of the cellar. Skeptical people may not believe, but hundreds of credible witnesses who have personally experienced the presence of these spirits swear by them. Judge for yourself if you dare!

Build an Extreme Green Solar Hot Water Heater Philip Rastocny 2013-03 What's so tough about building a solar collector? Most people think it's time they tried to do their part at lowering their monthly utility bills or curbing climate change, but they suspect that their dream of building a hot water solar collector is more

than they can handle. In some cases, this may be true. However, if you have already performed your own plumbing repairs, this project may not be as difficult as and more affordable than you imagine. This down-to-earth guide can show you just how possible such a project can be. With simple step-by-step instructions, fifty-six clear illustrations, and a complete parts list from a major hardware store, you may fulfill your dream of going solar sooner than you think. This is an excellent book with clear and well thought out plans. With a little investment of time and the parts listed, you will have a worthy product that will save money and provide satisfaction. A. J. Shea I am very impressed with the plans for this solar hot water system. I think it was easy to understand and complete with material lists and where to get them. I am looking forward to building one soon. Dean Cardin For anyone wanting to build their own solar collector, this is a great tool. Like others have said, follow the directions with respect to the materials specified. BigBear

The Restaurant at the End of the Universe Douglas Adams 2020-03-05 Following the smash-hit sci-fi comedy *The Hitchhiker's Guide to the Galaxy*, *The Restaurant at the End of the Universe* is the second part in Douglas Adams' multi-media phenomenon and cult classic series. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Monty Python star, Terry Jones. If you've done six impossible things this morning, why not round it off with breakfast at Millways, the Restaurant at the end of the Universe? Which is exactly what Arthur Dent and the crew of the Heart of Gold plan to do. There's just the small matter of escaping the Vogons, avoiding being taken to the most totally evil world in the Galaxy and teaching a space ship how to make a proper cup of tea. And did anyone actually make a reservation? Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: *Life*, *the Universe and Everything*, *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

Break the Cycle Tracy S. Deitz 2012-02-01 Is the person you love most in the world actually destroying you? Sometimes, it's not so simple for individuals in abusive relationships to just break free. Author Tracy S. Deitz, a trained advocate for

victims of domestic violence, tells the story of Lydia, a survivor of an abusive marriage who offers a lifeline to anyone who feels trapped in a destructive home. *Break the Cycle: Healing from an Abusive Relationship* is Lydia's profoundly honest and hopeful guide to gaining the strength, insight, and resources necessary to inspire anyone who wants to forge a new and positive path in life. Encouraging and easy to read, this invaluable book will help both victims and those who care about them to break through the confusion of this complex emotional struggle. By sharing Lydia's personal account about many years on a relational roller coaster, the author offers a vital perspective to individuals who are torn between keeping their covenant vow and trying to survive in a dysfunctional relationship with an unrepentant spouse. Integrating research, Scriptures, and personal anecdotes, the text illustrates practices for healing and finding clarity. From discussing isolation to awakening courage, each chapter identifies challenges and solutions, culminating with study questions for individual reflection or small-group discussions. The guide tackles issues surrounding alcoholism, Christianity and what the faith community teaches about honoring a vow, with daily illustrations of the challenges victims face. While illuminating the dilemmas of loving someone who is an abuser, *Break the Cycle: Healing from an Abusive Relationship* offers those suffering from this national epidemic a chance to find security, confidence, and peace. Millions of people in this country desperately need to discover the hope that is available to them through a personal relationship with God, rather than religiosity. This poignant, inspiring guide can do just that.

Days of Mashiach Tzvi Fishman 2011-06-08 "Days of Mashiach" is a collection of original and off-beat stories about Jewish life in Israel and the Diaspora. Written with a keen and humorous eye on the Jewish experience in our time, the stories center around the redemption of the Jewish People, the ingathering of the exiles, repentance, settlement of the Land of Israel, and Mashiach.

Dating Backward: Rick Soetebier 2014-02-10 *Dating Backwards* is a fresh look at some old concepts along with some common sense ideas about dating. It is a path to discover the extraordinary person you are and who will best be your extraordinary partner in life. This book will help you identify the different types of love, introduce you to the concept of the Four Cornerstones of Relationships and show many of the mistakes people continually make as they search for and enter into relationships. The principles in this book are designed to help singles from 18 to 80 and beyond. The journey begins with determining what type of relationship you want and then you will be guided in developing your "Must Haves" list. This list is the discovery of characteristics which results in the best relationship for you. We help you uncover the "Deal Breakers" which guides you away from repeating the same mistakes over and over. You will learn to identify your personal Red Flags that are warnings signs which provide you protection and guidance in choosing a potential mate. You will find guidance to help you to determine and discover what qualities you have to offer to a potential mate and uncover any qualities you possess that may be "Deal Breakers" to others. We all carry baggage in life and into a relationship. What is packed in your bag? Do you bring family issues? Do you bring issues from past relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These

questions are covered and more. Extraordinary communication is extremely important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. This book is the culmination of many years of education (both formal and informal), observation, personal experience and prayer. God has blessed Rick and Penny by bringing them together to create this work. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years. It is our grandest hope that this book will help at least some of our readers make better dating (and life) decisions and start *Dating Backward*.

I Blame Dennis Hopper Illeana Douglas 2015-11-03 From award-winning actress Illeana Douglas comes a memoir about learning to survive in Hollywood while staying true to her quirky vision of the world. In 1969 Illeana Douglas' parents saw the film *Easy Rider* and were transformed. Taking Dennis Hopper's words, "That's what it's all about man" to heart, they abandoned their comfortable upper

middle class life and gave Illeana a childhood filled with hippies, goats, free spirits, and free love. Illeana writes, "Since it was all out of my control, I began to think of my life as a movie, with a Dennis Hopper-like father at the center of it." *I Blame Dennis Hopper* is a testament to the power of art and the tenacity of passion. It is a rollicking, funny, at times tender exploration of the way movies can change our lives. With crackling humor and a full heart, Douglas describes how a good Liza Minnelli impression helped her land her first gig and how Rudy Valley taught her the meaning of being a show biz trouper. From her first experience being on set with her grandfather and mentor-two-time Academy Award-winning actor Melvyn Douglas-to the moment she was discovered by Martin Scorsese for her blood-curdling scream and cast in her first film, to starring in movies alongside Robert DeNiro, Nicole Kidman, and Ethan Hawke, to becoming an award winning writer, director and producer in her own right, *I Blame Dennis Hopper* is an irresistible love letter to movies and filmmaking. Writing from the perspective of the ultimate show business fan, Douglas packs each page with hilarious anecdotes, bizarre coincidences, and fateful meetings that seem, well, right out of a plot of a movie. *I Blame Dennis Hopper* is the story of one woman's experience in show business, but it is also a genuine reminder of why we all love the movies: for the glitz, the glamor, the sweat, passion, humor, and escape they offer us all.

Syncing Forward W. Lawrence 2014-06-15 1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of technology, and pushes the limits of faith and hopelessness. Above all, *Syncing Forward* is a tale of one man's love for his family, and their devotion to saving him from being lost forever.

Blind Passenger Melissa Tate 2015-10-09 We've all been there. EVERYONE knows someone who has had their share of binge drinking, mood swings, or addiction that has stretched a relationship to its limits. Dr. Melissa Tate is a popular psychology consultant and licensed professional counselor who takes you on a personal journey of self-disclosure and transparency. Often described as an easy going, juggling-it-all, classy and professional single mom, you would be remiss to assume she has always had it all. Vicariously stuck on the emotional roller coaster of her loved ones' mental instability and self-medicating, addictive behaviors, she has had to literally and figuratively pick herself up from some raw and shocking situations. Through two failed marriages and a shattered sibling bond, she gives you a front row seat to her internal struggle as a blind passenger. A memoir-esque snapshot of these three relationships is used as a platform for broader, often under-discussed, therapeutic conversations about domestic violence and addiction in the family system. And she gets it. She knows how you feel and where you've been-not merely because she has read about it or counseled people through it-because she has lived it. In being transparent about her intimate experiences with broken relationships, Dr. Tate is able to provide a personal and professional insight for regaining your peace of mind amidst a wild

ride.

Overcoming Me Jewel Adams 2015-01-01 God loves us and has a plan for us. Every human being is a part in that plan. There is opposition in all things, and overcoming trials is one of the most important lessons we can learn. It took me a long time to figure this out and I am grateful for what I have learned. But those lessons did not come without a price. In this little book, I will humbly share some of what I have learned.

A Colossal Failure of Common Sense Lawrence G. McDonald 2010-10-12 One of the biggest questions of the financial crisis has not been answered until now: What happened at Lehman Brothers and why was it allowed to fail, with aftershocks that rocked the global economy? In this news-making, often astonishing book, a former Lehman Brothers Vice President gives us the straight answers--right from the belly of the beast. In *A Colossal Failure of Common Sense*, Larry McDonald, a Wall Street insider, reveals, the culture and unspoken rules of the game like no book has ever done. The book is couched in the very human story of Larry McDonald's Horatio Alger-like rise from a Massachusetts "gateway to nowhere" housing project to the New York headquarters of Lehman Brothers, home of one of the world's toughest trading floors. We get a close-up view of the participants in the Lehman collapse, especially those who saw it coming with a helpless, angry certainty. We meet the Brahmins at the top, whose reckless, pedal-to-the-floor addiction to growth finally demolished the nation's oldest investment bank. The Wall Street we encounter here is a ruthless place, where brilliance, arrogance, ambition, greed, capacity for relentless toil, and other human traits combine in a potent mix that sometimes fuels prosperity but occasionally destroys it. The full significance of the dissolution of Lehman Brothers remains to be measured. But this much is certain: it was a devastating blow to America's--and the world's--financial system. And it need not have happened. This is the story of why it did.

The Unlikely Remnant Tracey Michae'l Lewis-giggetts 2012-08-27 Faye is a mother in the AME church. She has spent 40 years of her life "working" for the Lord. Chad is a white, conservative Christian radio talk show host. He enjoys riling up the

masses about issues related to race, gender, class, and politics. Jeremiah is a popular, Christian tele-evangelist. The charismatic, African American pastor of a popular mega-church, he is celebrated for his knowledge of scripture. Rosa is a Hispanic, single mom. An English teacher in the Catholic school she grew up in, she is a survivor of domestic abuse. So what happens when these four very different people find themselves trapped in a historical church in North Philadelphia AFTER THE RAPTURE? More than left behind, the characters in THE UNLIKELY REMNANT are left to deal with the personal truths and tragic secrets that led to them "missing God" all while wrestling with the prejudices that inevitably surface in their relationships with each other. Who will press in and who will give up their soul forever?

Writing Monsters Philip Athans 2014-08-07 Monsters are more than things that go bump in the night... Monsters are lurking in the woods, beneath the waves, and within our favorite books, films, and games--and there are good reasons why they appear so often. Monsters are manifestations of our fears and symbols of our society--not to mention they're a lot of fun--but each should serve a purpose and enhance the themes and tension in your fiction. In Writing Monsters, best-selling author Philip Athans uses classic examples from books, films, and the world around us to explore what makes monsters memorable--and terrifying. You'll learn what monsters can (and should) represent in your story and how to create monsters from the ground up. Writing Monsters includes: • In-depth discussions of where monsters come from, what they symbolize, and how to best portray them in fiction • Informative overviews of famous monsters, archetypes, and legendary creatures • A Monster Creation Form to help you create your monster from scratch • An annotated version of H.P. Lovecraft's chilling story "The Unnamable" Whether you write fantasy, science fiction, or horror, your vampires, ghouls, aliens, and trolls need to be both compelling and meaningful. With Writing Monsters, you can craft creatures that will wreak havoc in your stories and haunt your readers' imaginations--and nightmares.
