Psych's Guide to Crime Fighting for the Totally Unqualified

Shawn Spencer 2013-05-07

GOT A MYSTERY TO SOLVE?

DON'T GET STUMPED. GET

PSYCHED! You've seen him

solve unsolvable crimes, stop unstoppable killers, and consume unconsumable breakfast cereals. Now Shawn Spencer, the mastermind from TV's hit show *Psych*, shows you how to become a fake psychic- and a real detective-using his patented methods of crime-fighting awesomeness. Along the way, he'll help you deal with whiny sidekicks (that means you, Gus), interfering police officers (including but not limited to Chief Vick, Lassiter, Henry, Buzz MacNab, and, ah, Juliet), and flashes of genius (like Evel Knievel's white leather jumpsuit). You'll discover: How to set up a totally bitchin' office, where Wednesday = Ladies

Night How to convince your sidekick that he's really your partner How to pick up women at a crime scene Shawn's Stakeout Survival Guide, including sensible snacks Gus's Scream-and-Run Method for confronting criminals Unsolved mysteries like who stole Shawn's Sno-Caps in third grade The ideal sleuth car: Magnum, P.I.'s Ferrari or Knight Rider's K.I.T.T.? Who should play Shawn in the movie of his life: Christian Bale or Don Cheadle? New names for detectives, such as Rico Solvé and Sherlock Homeboy . . . and way more cool stuff. Packed with insane pop quizzes, unbelievable case studies,

unflattering photos, and off-the-chart charts, this all-in-one guide will have you solving crimes and catching crooks like a pro-even if you don't have a clue.

Digital Video Recorders Jimmy Schaeffler 2013-07-24 Four specific trends are driving the DVR industry: consumer content choice, consumer content control, personalization of content libraries, and the ability to transfer content from device-to-device and person-to-person. "Digital Video Recorders" features a macro and micro views of the already established yet still burgeoning

DVR industry. As part of the NAB Executive Technology Briefing series, this book gives you a wealth of market knowledge, business models, case studies, and industry insights explained in a non-technical fashion. "Digital Video Recorders" discusses the impact of the technology across many different industries and platforms, explains hardware, software and technology of set-top boxes, DVR infrastructure, on-screen guides, planning and scheduling, content security, and more. Whether you are an executive in the broadcast, telecommunications, consumer electronic, or advertising space, you will expand your knowledge

on DVR impact, explore new business opportunities, and get a brief overview of the technical terms needed. You will also be able to accurately analyze and understand the trends, projections and other data, all of which will help lead to the expedited growth and development of DVR industry.

The Wall Street Journal Guide to the Business of Life Nancy Keates 2005-06-07 Almost Everything You Need to Know About Leading the Good Life Too many decisions. Too many choices. What today's smart consumer must have is a money-and-time-saving guide for conducting the "business of life"—both the big challenges,

such as getting top-notch health care for the family and the best education for the kids, and the pleasurable ones, like plotting the family summer vacation.

Nancy Keates and her expert colleagues at The Wall Street Journal provide all-new material that gives the lowdown on: The Savvy Traveler: How to cut to the chase and not only avoid the indignity of cramped plane seats and overpriced tickets, but also get the best and safest seats at the same time. The Fine Art of Dining and Drinking: Landing the hottest table in town—at a discount; picking wine without becoming a wine snob; and learning about "barley matters"—the newest,

hottest beers. How to Speak Geek: Demystifying tech trends, with smart advice on not only what high-tech gadgets to buy but how to shop for them. Everything You Need to Know About Buying, Selling and Financing a Car: How to get the best and safest vehicle at the best price. Real Estate: Will the bubble burst? Here's how to be an informed buyer and seller along with the basics of remodeling and designing your home. How to Be an Informed Patient: Choosing a hospital, playing private investigator with your M.D., and learning about the tests you really ought to have (even if you have to pay for them yourself). Getting Real

Bang for Your Education Bucks: What you need to know from preschool through college and graduate school. The Great Balancing Act: Managing work and family, and finding out how to avoid the overstretched child and parent syndromes. Financing Your Life: It was easy in the 1990s, but the world has changed dramatically. Here's how to deal with the new world of saving, investing and borrowing money. Shopping: The New Sex? Throw away your Kama Sutra. The number one thrill in shopping is getting a good deal—here's how to play the game and get the best stuff at the best price. The Wall Street Journal Guide to the

Business of Life is both an instruction manual for living life to the fullest and a fun read about what really matters in the day-to-day. It has all the basic insight and information you need to navigate through life along with hilarious side trips such as “The Three-Decorator Experience” and “Cruises: Sailing New Waters.”

Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his

compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.
