Creating Social Change Through Creativity Moshoula Capous-Desyllas 2017-11-07 This book examines research using anti-oppressive, arts-based methods to promote social change in oppressed and marginalized communities. The contributors discuss literary techniques, performance, visual art, and new media in relation to the co-construction of knowledge and positionality, reflexivity, data representation, community building and engagement, and pedagogy. The contributors to this volume hail from a wide array of disciplines, including sociology, social work, community psychology, anthropology, performing arts, education, medicine, and public health. **Handbook of Youth Mentoring** David L. DuBois 2013-04-30 This thoroughly updated Second Edition of the Handbook of Youth Mentoring presents the only comprehensive synthesis of current theory, research, and practice in the field of youth mentoring. Editors David L. DuBois and Michael J. Karcher gather leading experts in the field to offer critical and informative analyses of the full spectrum of topics that are essential to advancing our understanding of the principles for effective mentoring of young people. This volume includes twenty new chapter topics and eighteen completely revised chapters based on the latest research on these topics. Each chapter has been reviewed by leading practitioners, making this handbook the strongest bridge between research and practice available in the field of youth mentoring.

Child Welfare for the Twenty-first Century Gerald P. Mallon 2014-02-18 The Adoption and Safe Families Act (ASFA), which became law in 1997, elicited a major shift in federal policy and thinking toward child welfare, emphasizing children’s safety, permanency, and well-being over preserving their biological ties at all costs. The first edition of this volume was the earliest major social work textbook to map the field of child welfare after ASFA’s passage, detailing the practices, policies, programs, and research affected by the legislation’s new attitude toward care. This second edition highlights the continuously changing child welfare climate in the U.S., including content on the Fostering Connections Act of 2008. Gerald P. Mallon and Peg McCartt Hess have updated the text throughout, drawing from real world case examples, using data obtained from the national Child and Family Services Reviews and emerging empirically based practices. They have also added chapters addressing child welfare workforce issues, supervision, and research and evaluation. Divided into four sections—child and adolescent well-being, child and adolescent safety, permanency for children and adolescents, and systemic issues within services, policies, and programs—this newly edited volume provides a current understanding of family support and child protective services, risk assessment, substance and sexual abuse issues, domestic violence issues, guardianship, reunification, kinship and foster family care, adoption, and transitional living programs. Recognized scholars, practitioners, and policy makers also discuss meaningful engagement with families, particularly Latino families; health care for children and youth, including mental health care; effective practices with LGBT youth and their families; placement stability; foster parent recruitment and retention; and the challenges of working with immigrant children, youth, and families.

Reapportionment and Redistricting in the West Gary F. Moncrief 2011 Reapportionment and Redistricting in the West is a collection of essays and original research which examines the unique characteristics of redistricting in the western United States. It includes case studies of Arizona, California and Oregon as well as chapters on congressional reapportionment and redistricting in the west, how redistricting impacts the Latino population, redistricting law in the west, and much more.

Explorer's Guide Hudson Valley & Catskill Mountains: Includes Saratoga Springs & Albany (Seventh Edition) (Explorer's Complete) Joanne Michaels 2009-05-04 "Many guides claim to be "insider" takes on travel, but few deliver truly out-of-the-ordinary info. This one does . . . many listings will surprise even natives."—New York Daily News Rich with historical and cultural attractions, the Hudson Valley and Catskills area will be celebrating its 400th anniversary in 2009. The region will commemorate Henry Hudson’s sail up the river, Robert Fulton’s first successful commercial steamship operation, and many more nationally significant events. The region is also a treasure trove for travelers seeking outdoor recreation, five-star dining, cozy bed & breakfasts or comfy inns, as well as galleries, antiques shops, wineries, farm stands, and places to hike, kayak, and canoe. In this completely revised seventh edition, author Joanne Michaels, the most respected travel writer in the region, includes hundreds of places to dine and stay, along with a wealth of information about things to see and do—all within driving distance of New York City, Boston, and beyond. With detailed maps and hundreds of honest reviews about accommodations, eateries, and activities that will appeal to both affluent travelers and those seeking special value, Michaels’s advice will aid in planning an unforgettable trip.

Counselor Self-Care Gerald Corey 2017-12-08 Self-care is critical for effective and ethical counseling practice and this inspirational book offers diverse, realistic perspectives on how to achieve work–life balance and personal wellness from graduate school through retirement. In addition to the authors’ unique perspectives as professionals at different stages of their careers, guest contributors—ranging from graduate students, to new professionals, to seasoned counselors—share their experiences and thoughts about self-care, including what challenges them most. Both personal and conversational in tone, this book will help you to create your own practical self-care action plan through reflection on important issues, such as managing stress, establishing personal and professional boundaries, enhancing relationships, and finding meaning in life.

The Official Guide of the Railways and Steam Navigation Lines of the United States, Puerto Rico, Canada, Mexico and Cuba William Frederick Allen 1905

Guide to Political Campaigns in America Paul S. Herrnson 2005-08-20 In this reference designed for scholastic reference (which should also be used by media fact-checkers on those busy election nights, contributors to these 27 chapters describe how political campaigns work in the US, how they are financed, who gets to vote and when, what campaign staffers do to influence voters and wrangle candidates, and how specific types of campaigns differ from one another in execution and intent. Topics include laws and regulations about campaigns, the players and parties involved, polling and research, preparing for debates, getting out the (hopefully sympathetic) vote, and the probable future of current efforts toward campaign reform. Each article includes its own references, just in case that election night turns out to be not quite as busy as previously thought. Annotation : 2005 Book News, Inc., Portland, OR (booknews.com).

Tropical Pathology W. Doerr 2012-12-06 The continuous and rapid improvement of tourism around the whole world and the increasing emigration of peoples from the developing countries to the "old continents" have changed the classical image of tropical diseases, which are now seen more frequently in temperate and highly developed countries. Consequently, over 10 years after its first publication, this second edition of the pathology of tropical diseases has been restructured and expanded to reflect the recent developments and changes in diagnostic techniques. A total of 27 chapters - written by 29 reputed experts from 11 countries - cover such new aspects as technological developments in diagnosing infectious diseases, autopsies in the tropics, renal diseases, geomedicine and genetic disorders. A concentrated and up-to-date review of the field.
