Terrace VII Sarah L Johnson 2019-11-05

Welcome to the Seventh Terrace of Dante's tower of Purgatory. Here, in darkness lit only by a wall of flame, we find souls enslaved by the sin of lust. Lust is a

Capitalist Nigger Chika Onyeani 2012-03-27
Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race, as naturally endowed as any other, is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the 'devil-may-care' attitude and the 'killer instinct' of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in

pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the 'Spider Web Doctrine' – discipline, self-reliance, ruthlessness – to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor and former diplomat.

exile on the floor of the Atlantic, a young man faces his own death and his wife's infidelity. With a deepening understanding of himself and his place in the world, Monkey travels a path through the most important landscape of all the inner landscape of the soul. Monkey is a meditation on the simple, inexplicable, and lasting power of love, cast in the metaphor of a journey to the depths of the ocean floor.
