The Free Flag of Cuba Lucy Petaway Holcombe Pickens 2002 "The wife of South Carolina secessionist governor Francis W. Pickens and known as the "Queen of the Confederacy," Lucy Holcombe Pickens (1832-1899) was during her

lifetime one of the most famous women in the South. Indeed, she was the only woman pictured on Confederate currency. Rumor was that in her youth she published a novel under a pseudonym. Recently discovered as The Free Flag of Cuba; or, The Martyrdom of Lopez: A Tale of the Liberating

Expedition of 1851, a romanticized account of the 1851 filibustering expedition to Cuba led by Narciso Lopez, it was published under the alias H. M. Hardimann in 1854. With this new edition, Orville Vernon Burton and Georganne B. Burton resurrect Holcombe's lost work and prove it to be a window on many pressing nineteenth-century issues, including patriotism, freedom, independence, imperialism, nationalism, race, the role of southern women, and slavery." "A not-so-subtle plea for U.S. support for Cuban independence from Spain, Holcombe's novel vindicates Lopez and his men, who were officially regarded as mercenaries, some of them captured and executed. The young author was determined to have an influence on the national debates of her time, and her book declared to the world that the Lopez campaign was noble and he and his men were martyred heroes." "Revealing the link between gender issues and filibustering, Holcombe's tale clearly reflects the values southern aristocratic women expected in men,

even if preserving those values meant death and defeat - a harbinger of ardent support for the Confederacy by women like Lucy. Like the South's secession, the Lopez expedition was an abject failure, and the novel eerily presages Lost Cause mythology."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Laughs, Luck-- and Lucy Jess Oppenheimer 1996
The creator of "I Love Lucy" gives an inside view of television history

Lucy Somerville Howorth Dorothy S. Shawhan 2006-06-01 Born, raised, and retired in Mississippi, Lucy Somerville Howorth (1895-1997) was a champion for the rights of women long before feminism emerged as a widely recognized movement. As told by Dorothy S. Shawhan and Martha H. Swain, hers is a remarkable life story-from a small-town upbringing to a career as an attorney, an activist, and the last of a generation of New Deal women in Washington, D.C. She held a presidential appointment under every chief executive from Franklin Roosevelt to John Kennedy. Howorth was a fervent believer in the power of organizations

to bring about change, and she became known for her leadership qualities, acumen, and quick appraisal of social problems, particularly as they affected women. Shawhan and Swain point out that her winsome personality, small stature, and delightful sense of humor also aided her as a female aspiring in a man's world. In 1931 she was elected to the Mississippi House of Representatives and, after campaigning for Roosevelt, was rewarded by the new president with a federal appointment. She served in a number of subsequent roles, rising to become general counsel of the War Claims Commission, at that time the highest legal position in an executive commission ever filled by a woman. Howorth worked relentlessly for the advancement of women, especially through the American Association for University Women and the National Federation of Business and Professional Women. She lobbied for equality in the workplace, helping to effect significant advances in government and the professions. In

1944, at the request of Eleanor Roosevelt, Howorth delivered the keynote speech at the White House Conference on Women in Postwar Policy-Making, the most memorable of her many public addresses. This first-ever biography of Howorth bestows long-overdue recognition of her many notable achievements and illuminates the activism of women in the decades often considered to be the doldrums of the women's movement.

Lady Lucy Houston DBE Miles Macnair

2016-10-31 The life-story of Lady Lucy Houston DBE must surely be one of the most romantic and dramatic epics of the last one hundred and fifty years, yet nowadays she is a woman unknown. She was a renowned beauty with a sharp intelligence, and over the years she would exploit her charismatic charm, first as a teenager to entice a wealthy lover, and subsequently to lead three husbands to the altar. She was an ardent and productive campaigner for women's rights, conducting outstanding works of charity during the Great War, such as providing a convalescent home for nurses returning from the front line. In recognition of these endeavours, she was made a Dame of the British Empire in 1917. After the death of her third husband, a known misogynist, under mysterious circumstances, she was temporarily certified mad, but his Will was to make her the richest woman in England. During

the rest of her eventful and eccentric lifetime, she spent her fortune on a vast number of charitable causes, whilst waging a feisty political campaign against weak British politicians of all parties. As a great admirer of how Mussolini had restored Italy's patriotic self-esteem, she championed men like Winston Churchill as the future saviour of her own beloved country. But her greatest legacy arose from her steadfast support for the Royal Air Force, whose finances were being crippled. She funded the 1931 Schneider Trophy Race as well as the Houston-Mount Everest Expedition of 1933. This funding had a crucial bearing on the development of the Merlin engine and the Spitfire aircraft, essentially kick starting the chain of events that would ultimately end in allied victory during the Battle of Britain. She died before the cataclysmic war that she so accurately predicted however, her death being precipitated by an infatuation with Edward, Prince of Wales. In spite of her many eccentricities, the enchanting, infuriating,

inspiring and endlessly controversial Lucy Houston deserves to be remembered as a very patriotic lady indeed.

Isabella Lucy Bird's "A Lady's Life in the Rocky Mountains" Isabella Lucy Bird 1999-01
The watershed year of Isabella Lucy Bird's life

was 1873. In autumn of that year, the forty-one-year-old English gentlewoman embarked by rail from San Francisco's east bay, bound for the Colorado Rockies. A challenging journey, it drove Bird to the utmost physical effort and initiated her lifelong career in what today is called adventure travel. More than one hundred twenty years after their first publication, Isabella Bird's letters to her sister continue to thrill readers with their account of the then-untamed and largely unknown American mountain wilderness. This elegant illustrated edition of Bird's *A Lady's Life in the Rocky Mountains*, annotated by Ernest S. Bernard, sheds fresh light on ambiguities and obscurities in Bird's letters and contains new details about the frontier Rocky Mountain West -- a region Bird found so beautiful that she gently chided "nature for her close imitation of art". Readers will share Bird's joy and terror as she scales the nearly sheer face of Longs Peak; her wistfulness and wonder in the company of the dashing, doomed mountain man, "Rocky

Mountain Jim"; and her unalloyed rapture as she glories in "the rushing winds, the piled-up peaks, the great pines, the wild night noises, the poetry and prose" of her beloved mountains. In addition to a map of Bird's 1873 route and contemporary photographs, this new annotated edition includes an appendix that illustrates and charts the course of Bird's historic ascent of Longs Peak, allowing travelers -- real and armchair -- to share the dangers and discoveries of Isabella Lucy Bird's amazing journey.

Franklin and Lucy Joseph E. Persico 2009-05-12
"Just when you thought you knew everything about Franklin D. Roosevelt, think again. Joseph E. Persico [is] one of America's finest historians. . . You can't properly understand FDR the man without reading this landmark study."—Douglas Brinkley, professor of history at Rice University
"Persico's exploration of FDR's emotional life is fascinating."—USA Today In *Franklin and Lucy*,

acclaimed author and historian Joseph E. Persico explores FDR's romance with Lucy Rutherford. Persico's provocative conclusions about their relationship are informed by a revealing range of sources, including never-before-published letters and documents from Lucy Rutherford's estate that attest to the intensity of the affair, which lasted much longer than was previously acknowledged. FDR's connection with Lucy also creates an opportunity for Persico to take a more penetrating look at the other women in FDR's life. We come to see more clearly how FDR's infidelity contributed to Eleanor Roosevelt's eventual transformation from a repressed Victorian to perhaps the greatest American woman of her century; how FDR's strong-willed mother helped to strengthen his resolve in overcoming personal and public adversity; and how both paramours and platonic friends completed the world that FDR inhabited. In focusing on Lucy Rutherford and the other women who mattered to Roosevelt, Persico

renders the most intimate portrait yet of an enigmatic giant of American history. Praise for Franklin and Lucy “Persico is judicious in his treatment of these sensitive matters. . . . He understands that Lucy Mercer helped FDR awaken his capacity for love and compassion, and thus helped him become the man to whom the nation will be eternally in debt.”—The Washington Post Book World “A stylish and well-written book filled with interesting characters, marital dramas and spylike subterfuge.”—Chicago Tribune “A powerful narrative that rarely fails to pull you along to the next chapter.”—Louisville Courier-Journal “Utterly absorbing.”—Pittsburgh Post-Gazette
