Oxford Picture Dictionary Jayme Adelson-Goldstein 2009-06 The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour

dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The Eerdmans Dictionary of Early Judaism John J. Collins 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism (fourth century b.c.e. through second century c.e.). The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian. The second and significantly longer section offers 520 entries arranged alphabetically. Many of these entries have cross-references and all have select bibliographies. Equal attention is given to literary and nonliterary (i.e. archaeological and epigraphic) evidence and New Testament writings are included as evidence for Judaism in the first century c.e. Several entries also give pertinent information on the Hebrew Bible. The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader. It is ecumenical and international in character, bringing together nearly 270 authors from as many as twenty countries and including Jews, Christians, and scholars of no religious affiliation.

19th Century Lustreware Michael Gibson 1999 The author is one of the foremost authorities on lustreware and has incorporated all the latest research into his text. In some cases this has necessitated a rethinking of previously held theories and this adds greatly to the book's interest for collectors. The reader is taken from lustreware's beginnings in 1805 through its heyday in the first half of that century, with later lustrewares also touched on. The techniques of lustring are described in some detail and there is a comprehensive coverage of the companies and personalities involved in its manufacture - everything, in fact, that the collector needs to know.
