Brotherhood of the Mamluks Brad Graft 2018-04-25 Duyal, a teenage nomad living on the vast Russian steppe, is captured during a Mongol invasion and forced on a long, deadly journey into the war-torn Middle East. Purchased by a Kurdish prince in eastern Turkey, his destination is an Islamic citadel, filled with similarly enslaved strangers and one merciless instructor—a man determined to purge the weaklings from his ranks and forge the survivors into Mamluks, Islamic Knights unmatched in wielding sword, arrows, and lance from atop Arabian steeds. When Duyal becomes entangled in his instructor's schemes and his mates witness another comrade's unjust execution, the recruits can take it no longer. Their wrath is unleashed. Chains of Nobility is the first book in the Brotherhood of the Mamluks trilogy. Set during the 13th century, the book is an immersive dive into the world of military slavery—a Muslim institution largely unheard of in the West, whose ranks ousted the Crusaders and Mongols from the Levant, preserving Islam. Graft, a former U.S. Marine officer who served in Somalia, conveys to his characters an authentic understanding of combat and the hearts of fighting men. He brings to life the intriguing story behind the Mamluk Sword, the saber worn traditionally by Marines as part of the dress uniform. Based on exhaustive research that took the author to Mongolia and the Middle East, the book is filled with vivid cultural details, battle accounts, and realistic characters. In all, the Brotherhood of the Mamluks trilogy reveals the fascinating and little-known story of the Mamluks. *One hundred percent

of the author's income from the sales of this book will be donated to screened charities that support wounded veterans and families of the fallen. “Graft nimbly inserts the reader into the world and mindset of the medieval jihad. From the Russian steppe to inside the citadel walls, he takes us where Mamluks are made and loyalty between comrades is sealed. - Steven Pressfield, bestselling author of The Legend of Bagger Vance, The Warrior Ethos and Gates of Fire "Chains of Nobility is a harrowing tale of comradeship and combat, providing an in-the-saddle look at the process of creating Mamluks-early Islam's military elite. A great piece of work." - Nathaniel Fick, former Marine officer and New York Times bestselling author of One Bullet Away: The Making of a Marine Officer "A gripping saga of brotherhood and devotion, Chains of Nobility is a must-read for military history buffs. Author Brad Graft enlightens us on the little-known reason behind Medieval Islam's triumphs during the Middle Ages: nomadic youth enslaved by the descendants of Saladin and sharpened into the spear tip of Muslim armies." - Michael Franzak, former Marine pilot and author of A Nightmare's Prayer, winner of the 2012 Colby Award *The Lion's Share* Guido Alfani 2019-02-28 This is the most in-depth analysis of inequality and social polarization ever attempted for a preindustrial society. Using data from the archives of the Venetian Terraferma, and compared with information available for elsewhere in Europe, Guido Alfani and Matteo Di Tullio demonstrate that the rise of the fiscal-military state served to increase economic inequality in the early modern period. Preindustrial fiscal systems tended to be regressive in nature, and increased post-tax inequality compared to pre-tax - in contrast to what we would assume is the case in contemporary societies. This led to greater and greater disparities in wealth, which were made worse still as taxes were collected almost entirely to fund war and defence rather than social welfare. Though focused on Old Regime Europe, Alfani and Di Tullio's findings speak to contemporary debates about the roots of inequality and social stratification.

A Lion's Share Brad Graft 2019-06-12 A Lion's Share is the second book in the Brotherhood of the Mamluks trilogy. The story is set in the 13th Century Middle East, during the Seventh Crusade. Told from the Egyptian perspective, it is a rare view of life among the Mamluks-elite Muslim warriors largely unheralded in the West-whose ranks ousted the Crusaders and Mongols from the Levant, preserving Islam. On the eve of a historic battle, Leander, a disenchantd Crusader, surrenders to Muslim amirs with the intent of joining the revered Bahri Mamluks. His move seems fated. The young Frenchman avoids the mass slaughter suffered by the Christian alliance and earns himself a place with the elite cavalry regiment, serving the Sultan of Egypt. Yet once King Louis IX of France seeks vengeance and sets Cairo as the objective of his campaign, Leander is faced with warfare against his native people as he defends his new home, comrades, and religion. When the Bahri's adored sultan dies and Leander becomes tangled in forbidden love with an Egyptian woman, his world unravels further. As the Mamluks seize rule for themselves, a rivalry between opposing regiments turns bloody and the newly-formed Mamluk Sultanate tumbles into chaos, with Leander and his mates scrambling not only for position within the realigned empire, but also for their lives. Graft, a former U.S. Marine Officer who served in Somalia, reveals the fascinating story of the Mamluks and the intriguing history of the Mamluk Sword, the saber worn by Marines as part of their traditional dress uniform. Based on exhaustive research that took the author to Mongolia and the Middle East, the book is filled with vivid cultural details, battle accounts, and authentic characters. An enjoyable read." - Ron Christmas, Lieutenant General, U.S. Marine Corps and past President/CEO Marine Corps Heritage Foundation "Graft's historical novel follows a young, kidnapped nomad in the Middle East. The text abounds with evocative portrayals. . . That is just one question Christopher Swann explores in this compulsively readable debut, a literary thriller set in the elite—and sometimes dark—environs of Blackburne, a prep school in Virginia. When Matthias Glass’s best friend, Fritz, vanishes without a trace in the middle of an argument during their senior year, Matthias tries to move on with his life, only to realize that until he discovers what happened to his missing friend, he will be stuck in the past, guilty, responsible, alone. Almost ten years after Fritz’s disappearance, Matthias gets his chance. Offered a job teaching English at Blackburne, he gets swiftly drawn into the mystery. In the shadowy woods of his alma mater, he stumbles into a web of surveillance, dangerous lies, and buried secrets—and discovers the troubled underbelly of a school where the future had once always seemed bright.
