Be Our Guest The Disney Institute 2003-06 Now, for the first time, one element of the methods behind the magic that is the Walt Disney World Resort--quality service--is revealed. The book outlines proven Disney principles and processes for helping an organization focus its vision and align its people into a strategy that delivers on the promise of exceptional customer service.

**The Apple Experience: Secrets to Building Insanely Great Customer Loyalty** Carmine Gallo 2012-04-13 Praise for THE APPLE EXPERIENCE "There are three pillars of enchantment: likability, trustworthiness, and quality. The Apple experience is the best modern-day example of all three pillars. Carmine's book will help you understand and implement the same kind of world-class experience." --Guy Kawasaki, author of Enchantment and former chief evangelist of Apple "Carmine Gallo explains beautifully and simply just what makes the Apple retail experience so successful. No matter what kind of business you are in, there are insanely valuable lessons in this book!" --Garr Reynolds, author of Presentation Zen and The Naked Presenter "At its core, this book is not about Apple. It's about delivering the best experience possible." --Tony Hsieh, New York Times bestselling author of Delivering Happiness and CEO of Zappos.com, Inc. "An exciting resource for any business owner in any country who wants to reimagine the customer experience." --Loic Le Meur, CEO, LeWeb "Why can't other retail experiences be as great as an Apple store's? Not only does Carmine Gallo answer that question brilliantly, but he shows precisely how to make sure your customers never ask it about your business." --Matthew E. May, author of In Pursuit of Elegance and The Laws of Subtraction "Carmine Gallo gets to the magic of Steve Jobs: Touching people's lives. This simple, yet delightful vision should be at the heart of every retail interaction in the world today." --Peter Steinlauf, Chairman, Edmunds.com "This magnificent collection of insights illuminates the way for anyone who wants to create a truly great experience, whether in retail, service, or software. " --Dan Roam, author of The Back of the Napkin and Blah Blah Blah Reinvent your business to deliver Apple-like customer satisfaction and profits In The Apple Experience, internationally bestselling author Carmine Gallo details the principles and practices behind this total commitment to the customer and explains how your brand can achieve outstanding results by delivering this same high standard of service. Carmine Gallo interviewed professionals at all levels who have studied Apple, and he spent hundreds of hours observing the selling floor in Apple's retail space and learning about Apple's vision and philosophy. Using insights and data from these sources, he breaks down Apple's customercentric model to provide an action plan with three distinct areas of focus: Inspire Your Internal Customer with training, support, and communications that create a "feedback loop" for improving performance at every level Serve Your External Customer with irresistible brand stories and dedicated salespeople who embody the APPLE five steps of service-- Approach, Probe, Present, Listen, End with a fond farewell Set the Stage by ensuring that no element is overlooked in creating an immersive retail environment where customers can see, touch, and learn about your products With The Apple Experience, you can improve the return on your investment in retail by adding real value to every customer interaction. Better still, any business that deals with people--employees or customers--can adopt the techniques to achieve Apple-like market dominance by enriching lives, building loyalty, and reimagining the customer experience. -

How Starbucks Saved My Life Michael Gates Gill 2007-09-20 Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all--and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.

**Setting the Table** Danny Meyer 2009-10-13 The bestselling business book from award-winning restaurateur Danny Meyer, of Union Square Cafe, Gramercy Tavern, and Shake Shack Seventy-five percent of all new restaurant ventures fail, and of those that do stick around, only a few become icons. Danny Meyer started Union Square Cafe when he was 27, with a good idea and hopeful investors. He is now the co-owner of a restaurant empire. How did he do it? How did he beat the odds in one of the toughest trades around? In this landmark book, Danny shares the lessons he learned developing the dynamic philosophy he calls Enlightened Hospitality. The tenets of that philosophy, which emphasize strong in-house relationships as well as customer satisfaction, are applicable to anyone who works in any business. Whether you are a manager, an executive, or a waiter, Danny's story and philosophy will help you become more effective and productive, while deepening your understanding and appreciation of a job well done. Setting the Table is landmark a motivational work from one of our era's most gifted and insightful business leaders.

*The Everything Store* Brad Stone 2013-10-15 The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to

tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

**The Starbucks Experience: 5 Principles for Turning Ordinary Into Extraordinary** Joseph Michelli 2006-10-05 WAKE UP AND SMELL THE SUCCESS! You already know the Starbucks story. Since 1992, its stock has risen a staggering 5,000 percent! The Starbucks Experience contains a robust blend of home-brewed ingenuity and people-driven philosophies that have made Starbucks one of the world's "most admired" companies, according to Fortune magazine. With unique access to Starbucks personnel and resources, Joseph Michelli discovered that the success of Starbucks is driven by the people who work there--the "partners"--and the special experience they create for each customer. Michelli reveals how you can follow the Starbucks way to Reach out to entire communities Listen to individual workers and consumers Seize growth opportunities in every market Custom-design a truly satisfying experience that benefits everyone Involved Filled with real-life insider stories, eye-opening anecdotes, and solid step-by-step strategies, this fascinating book takes you deep inside one of the most talked-about companies in the world today. For anyone who wants to learn from the best--and be the best--The Starbucks Experience is a rich, heady brew of unforgettable user-friendly ideas.

Driven to Delight: Delivering World-Class Customer Experience the Mercedes-Benz Way Joseph Michelli 2015-12-08 A Wall Street Journal bestseller Why are Mercedes-Benz customers so loyal and passionate? Because the people at Mercedes-Benz are Driven to Delight In his previous bestsellers--The Starbucks Experience, The New Gold Standard, and Prescription for Excellence--Joseph Michelli revealed customer experience practices and strategies of beloved businesses. Now, in this timely new book, he shares the greatest customer-driven insights behind one of the most iconic brand names in the world: Mercedes-Benz USA. DRIVEN TO DELIGHT reveals: How Mercedes-Benz USA launched a multi-year program to elevate their customer experience--even though their product was already "best in class." How they activated people, improved processes, and deployed technology to emotionally engage customers. How the Mercedes-Benz approach can jump-start any customer-driven business--by accelerating your commitment to the customer experience. Filled with exclusive front-seat insights from Mercedes-Benz employees, eye-opening testimonials from passionate Mercedes-Benz fans, and solid nuts-and-bolts advice for creating your own consumer-aligned road map, Driven to Delight will help you retool your strategies, reignite your customers, and refuel your team for the long haul. Mercedes-Benz. The name alone conjures images of luxury, innovation, quality, and performance. But in today's market, you need more than a world-class product to outpace the competition--which is why the executives at Mercedes-Benz USA set a course to create a customer experience in keeping with their legendary cars. This is the story of how an organization became Driven to Delight. It reveals the action plan Mercedes-Benz USA used to catapult the company to first place rankings in national customer satisfaction studies while at the same time growing sales and profits. With unprecedented access to company personnel, customer experience expert Joseph Michelli charts the journey the company took and identifies the all-important keys to driving delight in any customer-based organization. You'll learn how to: Create a compelling vision for exceptional customer experiences Identify the ever changing wants, needs, and desires of your customer segments Map out your key customer journeys and high value contact points Effectively evaluate customer perceptions throughout their journey with you Resolve customer needs swiftly and constantly improve your delivery processes Link rewards and recognition to customer experience excellence throughout your organization These proven techniques are part of the Mercedes-Benz USA "Driven to Delight" culture which sets a new gold standard in customer service, employee engagement, and peak performance. You'll find step-by-step strategies that can be customized to fit your business model and customer needs. You'll discover invaluable tools like Vision Mapping, Customer Journey Wheels, Customer-Centric Strategy and Resource Planning Processes --plus 20 Key Questions you can use to diagnose your progress and steer your company in the right direction. Along the way, you'll get a rare first-hand comprehensive view of a world-class company in action. You'll see how a "best or nothing" organization became customer obsessed, mile after mile, year after year. Most importantly, you'll learn how to ramp up your own customer experience, rev up your customer commitment, and take your customers on a journey that's bound to delight--the Mercedes-Benz way. Joseph A. Michelli is an internationally sought-after speaker, author, and organizational consultant. His books include The Starbucks Experience, The New Gold Standard, The Zappos Experience, Leading the Starbucks Way, and Prescription for Excellence, which hit #1 on The New York Times, Wall Street Journal, and USA Today bestseller lists.

**Humor, Play, & Laughter** Joseph A. Michelli 1998 Parenting does not have to be a stressful experience. In fact, parents who lighten up and laugh with their families can be more productive by using humor to ease conflict, deflect hostility, and create a feeling of well-being in the household. Readers will benefit from the author's many everyday examples of how a humorous approach can greatly improve family life.

*Mindchamps Way, The: How To Turn An Idea Into A Global Movement* Joseph A Michelli 2019-06-27 How do a passion to create an education revolution and the business acumen to fuel rapid and spectacular global expansion co-exist within one organisation?Find out in The MindChamps Way ...In his latest insightful study of strategy and leadership, Joseph Michelli (#1 New York Times & Wall Street Journal Bestselling Author), shares the unique philosophy and the values-driven strategies of a dynamic organization, whose growing presence on the world stage has the potential to fundamentally shape the future of 'individuals, families, communities, countries, and education systems' across the globe.The MindChamps Way demonstrates how combining a strong, 'big-picture' philosophy with a carefully planned and executed business strategy can inspire staff, clients and an unlikely range of interested stakeholders.Read how:

**Move Your Bus** Ron Clark 2015-06-30 New York Times bestselling author and award-winning educator Ron Clark applies his successful leadership principles to the business world in this effective and accessible guidebook, perfect for any manager looking to inspire and motivate his or her team. Includes a foreword by bestselling author and FranklinCovey executive Sean Covey. Teamwork is crucial to the success of any business, and as acclaimed author and speaker Ron Clark illustrates, the members of any team are the key to unlocking success. Imagine a company as a bus filled with people who either help or hinder a team's ability to move it forward: drivers (who steer the organization), runners (who consistently go above and beyond for the good of the organization), joggers (who do their jobs without pushing themselves), walkers (who are just getting pulled along), and riders (who hinder success and drag the team down). It's the team leader's job to recognize how members fall into these categories, encourage them to keep the "bus" moving by working together, and know when it's time to kick the riders off. In the tradition of Who Moved My Cheese? and Fish!, Move Your Bus is an accessible and uplifting business parable that illustrates Clark's expert strategies to maximize the performance of each member of a team. These easy to implement techniques will inspire employees and team leaders alike to work harder and smarter and drive the organization to succeed.

**More Than Coffee** Can Akdeniz 2014-09-22 In 1971, a small coffee bean seller in Seattle began a caffeinated journey towards this elite echelon that would eventually make them one of the most respected and successful brands in the world. This book explains how Starbucks made it from Corner Café to Coffee Kingpin with 23,000 locations around the globe.

*From the Ground Up* Howard Schultz 2019-01-28 NEW YORK TIMES BESTSELLER • From the longtime CEO and chairman of Starbucks, a bold, dramatic work about the new responsibilities that leaders, businesses, and citizens share in American society today—as viewed through the intimate lens of one man's life and work. What do we owe one another? How do we channel our drive, ingenuity, even our pain, into something more meaningful than individual success? And what is our duty in the places where we live, work, and play? These questions are at the heart of the American journey. They are also ones that Howard Schultz has grappled with personally since growing up in the Brooklyn housing projects and while building Starbucks from eleven stores into one of the world's most iconic brands. In *From the Ground Up*, Schultz looks for answers in two interwoven narratives. One story shows how his conflicted boyhood—including experiences he has never before revealed—motivated Schultz to become the first in his family to graduate from college, then to build the kind of company his father, a working-class laborer, never had a chance to work for: a business that tries to balance profit and human dignity. A parallel story offers a behind-the-scenes look at Schultz's unconventional efforts to challenge old notions about the role of business in society. From health insurance and free college tuition for part-time baristas to controversial initiatives about race and refugees, Schultz and his team tackled societal issues with the same creativity and rigor they applied to changing how the world consumes coffee. Throughout the book, Schultz introduces a cross-section of Americans transforming common struggles into shared successes. In these pages, lost youth find first jobs, aspiring college students overcome the yoke of debt, post-9/11 warriors replace lost limbs with indomitable spirit, former coal miners and opioid addicts pave fresh paths, entrepreneurs jump-start dreams, and better angels emerge from all corners of the country. *From the Ground Up* is part candid memoir, part uplifting blueprint of mutual responsibility, and part proof that ordinary people can do extraordinary things. At its heart, it's an optimistic, inspiring account of what happens when we stand up, speak out, and come together for purposes bigger than ourselves. Here is a new vision of what can be when we try our best to lead lives through the lens of humanity. "Howard Schultz's story is a clear reminder that success is not achieved through individual determination alone, but through partnership and community. Howard's commitment to both have helped him build one of the world's most recognized brands. It will be exciting to see what he accomplishes next."—Bill Gates

**The Personal MBA 10th Anniversary Edition** Chet Holmes 2020-09-01 The 10th anniversary edition of the bestselling foundational business training manual for ambitious readers, featuring new concepts and mental models: updated, expanded, and revised. Many people assume they need to attend business school to learn how to build a successful business or advance in their career. That's not true. The vast majority of modern business practice requires little more than common sense, simple arithmetic, and knowledge of a few very important ideas and principles. The Personal MBA 10th Anniversary Edition provides a clear overview of the essentials of every major business topic: entrepreneurship, product development, marketing, sales, negotiation, accounting, finance, productivity, communication, psychology, leadership, systems design, analysis, and operations management...all in one comprehensive volume. Inside you'll learn concepts such as: The 5 Parts of Every Business: You can understand and improve any business, large or small, by focusing on five fundamental topics. The 12 Forms of Value: Products and services are only two of the twelve ways you can create value for your customers. 4 Methods to Increase Revenue: There are only four ways for a business to bring in more money. Do you know what they are? Business degrees are often a poor investment, but business skills are always useful, no matter how you acquire them. The Personal MBA will help you do great work, make good decisions, and take full advantage of your skills, abilities, and available opportunities--no matter what you do (or would like to do) for a living.

**The Starbucks Story** John Simmons 2012-08-15 Coffee is a commodity. You can get a cup at any café, sandwich bar or restaurant anywhere. So how did Starbucks manage to reinvent coffee as a whole new experience, and create a hugely successful brand in the process? The Starbucks Story tells the brand's story from its origins in a Seattle fish market to its growing global presence today. This is a story that has unfolded quickly - at least in terms of conventional business development. Starbucks is a phenomenon. Unknown 15 years ago, it now ranks among the 100 most valuable brands in the world. It has become the quintessential brand of the modern age, built around the creation of an experience that can be consistently reproduced across the world. Originally published in 2004 as 'My Sister's A Barista: How they made Starbucks a home away from home', this new 2012 edition has been updated to bring the brand up to date.

*Pour Your Heart Into It* Howard Schultz 2012-05-22 In *Pour Your Heart Into It*, former CEO and now chairman emeritus Howard Schultz illustrates the principles that have shaped the Starbucks phenomenon, sharing the wisdom he has gained from his quest to make great coffee part of the American experience. The success of Starbucks Coffee Company is one of the most amazing business stories in decades. What started as a single store on Seattle's waterfront has grown into the largest coffee chain on the planet. Just as remarkable as this incredible growth is the fact that Starbucks has managed to maintain its renowned commitment to product excellence and employee satisfaction. Marketers, managers, and aspiring entrepreneurs will discover how to turn passion into profit in this definitive chronicle of the company that "has changed everything... from our tastes to our language to the face of Main Street" (Fortune).

**Byline** M.J. Akbar 2004-12-31 Byline anthologises M.J. Akbar's finest writings over the last decade, bringing together essays that reflect the author's versatility and range. The book is divided into five seamless sections, each with its own identity, woven together by M.J. Akbar's delectably informal prose. 'Travel' is the first section in which the

author shares his passion for history and the occasional fable, the obscure detail, the glorious and the ludicrous. This is followed by 'Politics and History' in which the reader is provided a view of some events and people in the recent past with all the quirks and whims that characterise the great as well as the mundane. The reader then moves on to 'Sidelines' (those delightfully off-centre pieces). M.J. Akbar says in an essay in this section: "The train of thought has moved. But that is the way with trains. They must travel." 'Memories' is the most personal and autobiographical part of the entire selection, mixing regret, nostalgia and deeply felt sorrow for the friends and times gone forever. Byline ends with a short section entitled 'On a Personal Note' in which James Bond must live to die another day, The Telegraph has to learn to live beyond the age of twenty and Dev Anand remains young forever. *The Zappos Experience: 5 Principles to Inspire, Engage, and WOW* Joseph Michelli 2011-10-07 Make every day a WOW day for your customers, your staff—and your bottom line! "In your hands is a manifesto on how Zappos completely blew away the standard of delivering a consumer-centric experience and a revolutionary company culture. Joseph helps us all understand how to achieve a little more of that Zappos magic." —Eric Ryan, method cofounder and person against dirty "If you're looking for an inspirational path for creating a likable, trustworthy, and wow! organization, you've hit the mother lode." —Guy Kawasaki, former chief evangelist of Apple and author of *Enchantment: The Art of Changing Hearts, Minds, and Actions* "This book provides a roadmap to a successful business by taking inspiration and examples from one of the most innovative, progressive companies of our time. Don't just read it; use it." —Tony Hawk, professional skateboarder and author of *HAWK —Occupation: Skateboarder and How Did I Get Here?* The Ascent of an Unlikely CEO "Thanks to Joseph Michelli, you can learn exactly how Zappos hit it big and how you can too. By using the five principles Joseph has distilled, you can supercharge your efforts and start down the path to legendary success." —Mark Sanborn, President, Sanborn & Associates, Inc., and author of *The Fred Factor* and *You Don't Need a Title to Be a Leader* "Often, business owners look at media darlings like Zappos with their mouths agape, full of awe but unable to take action. For those eager to do more than watch, Joseph Michelli deconstructs the Zappos story and makes it attainable." —Seth Godin, author of *Poke the Box* About the Book: ZAPPOS. The name has come to stand for a new standard of customer service, an amazing online shopping experience, a great place to work, and the most impressive transformational business success story of our time. Simply put, Zappos is revolutionizing business and changing lives. Now, Joseph Michelli, author of the internationally bestselling business books *Prescription for Excellence* and *The Starbucks Experience*, explains how Zappos does it—and how you can do it in your industry. The Zappos Experience takes you through—and beyond—the playful, offbeat company culture Zappos has become famous for. Michelli reveals what occurs behind the scenes at Zappos, showing how employees at all levels operate on a day-to-day basis while providing the "big picture" leadership methods that have earned the company \$1 billion in annual gross sales during the last ten years—with almost no advertising. Michelli breaks the approach down into five key elements: Serve a Perfect Fit—create bedrock company values Make it Effortlessly Swift—deliver a customer experience with ease Step into the Personal—connect with customers authentically S T R E T C H—grow people and products Play to Win—play hard, work harder When you enhance the customer experience, increase employee engagement, and create an energetic culture, you can't help but succeed. Zappos has woven these five key components into a seamless strategy that's the envy of business leaders. Now that strategy is yours. With *The Zappos Experience*, Joseph Michelli delivers a package for instant success right to your doorstep. All you have to do is open and use it.

**The Experience Economy** B. Joseph Pine 1999 Future economic growth lies in the value of experiences and transformations—good and services are no longer enough. We are on the threshold, say authors Pine and Gilmore, of the Experience Economy, a new economic era in which all businesses must orchestrate memorable events for their customers. The Experience Economy offers a creative, highly original, and yet eminently practical strategy for companies to script and stage the experiences that will transform the value of what they produce. From America Online to Walt Disney, the authors draw from a rich and varied mix of examples that showcase businesses in the midst of creating personal experiences for both consumers and businesses. The authors urge managers to look beyond traditional pricing factors like time and cost, and consider charging for the value of the transformation that an experience offers. Goods and services, say Pine and Gilmore, are no longer enough. Experiences and transformations are the basis for future economic growth, and *The Experience Economy* is the script from which managers can begin to direct their own transformations. *Understanding Context* Andrew Hinton 2014-12-02 To make sense of the world, we're always trying to place things in context, whether our environment is physical, cultural, or something else altogether. Now that we live among digital, always-networked products, apps, and places, context is more complicated than ever—starting with "where" and "who" we are. This practical, insightful book provides a powerful toolset to help information architects, UX professionals, and web and app designers understand and solve the many challenges of contextual ambiguity in the products and services they create. You'll discover not only how to design for a given context, but also how design participates in making context. Learn how people perceive context when touching and navigating digital environments See how labels, relationships, and rules work as building blocks for context Find out how to make better sense of cross-channel, multi-device products or services Discover how language creates infrastructure in organizations, software, and the Internet of Things Learn models for figuring out the contextual angles of any user experience

*7 Principles of Transformational Leadership* Hugh Blane 2017-05-23 In the world of work, the single greatest asset of successful individuals, teams, and organizations is their mindset—what happens in between their ears. It's not the corporate strategy, the sales compensation plan, or the market segments they're pursuing. It is what each leader, team member, and employee chooses to focus on, believe, and create for themselves and others. *7 Principles of Transformational Leadership* presents the fundamental concepts whose implementation will result in dramatic revenue, performance, and relationship growth. Specifically, leaders will learn to: Live their professional and personal lives with unbridled purpose and passion. Execute strategic priorities more effectively and with accelerated results. Retain the brightest and best talent. Have employees, key stakeholders, and managers enthusiastically follow them. Be exemplars of innovation, growth, and positive mindsets. Cascade excellence throughout their organizations. You may have employees with all the talent in the world, but you'll never achieve remarkable results until you change your employees' mindset. *7 Principles of Transformational Leadership* will help you convert your human potential into accelerated business results.

**Starbucks Leadership Lessons** Joseph Michelli 2013-11-01 TWO E-BOOKS IN ONE The Starbucks Experience The Starbucks Experience contains a robust blend of home-brewed ingenuity and people-driven philosophies that have made Starbucks one of the world's "most admired" companies, according to Fortune magazine. With unique access to Starbucks personnel and resources, Joseph Michelli discovered that the success of Starbucks is driven by the people who work there—the "partners"—and the special experience they create for each customer *Leading the Starbucks Way* In *Leading the Starbucks Way*, Joseph Michelli explains the leadership principles that drove the iconic coffee company's resurgence from serious

setbacks after the global recession—one of the few true turnaround stories of this time. “Culture is everything! This fast-moving, fascinating book gives you countless practical ideas you can use immediately to create a company climate of inspiration and loyalty.” Brian Tracy, author of Full Engagement

**The Experience** Bruce Loeffler 2015-03-23 Bring Disney-level customer experience to your organization with insider guidance. The Experience is a unique guide to mastering the art of customer service and service relationships, based on the principles employed at the renowned leader in customer experience—the Walt Disney Company. Co-Author Bruce Loeffler spent ten years at Disney World overseeing service excellence, and has partnered with Brian T. Church in this book, to show you how to bring that same level of care and value to your own organization. Based on the I. C.A.R.E. model, the five principles—Impression, Connection, Attitude, Response, and Exceptionals—give you a solid framework upon which to raise the level of your customer experience. You will learn how to identify your customer service issues and what level of Experience you are currently offering. You can then determine exactly what the “customer experience” should be for your company, and the changes required to make it happen. The Walt Disney Company is the most recognized name in the world for customer service. The “Disney Experience” draws customers from all around the world. This book describes what it takes to achieve that level of Experience, and how any organization can do it with the right strategy and attention to detail. When the Experience is enhanced, the opportunity arises to convert customers to ambassadors who will share their Experience with others. Find “the experience” and what it means to the organization. Learn the five levels of experience, and why most companies fail at it. Identify service problems that face every company in the marketplace. Utilize the Experience Quotient and apply the I. C.A.R.E. principles. Learn how to convert customers to ambassadors who share their story with others. Customers are the lifeblood of business. A great product offering isn't enough in today's marketplace, where everyone's looking for an “experience.” Imagine the kind of value a Disney-level customer experience could bring to your organization. The Experience is a guide to getting there, from an insider's perspective.

**It's Not About the Coffee** Howard Behar 2007-12-27 During his many years as a senior executive at Starbucks, Howard Behar helped establish the Starbucks culture, which stresses people over profits. He coached hundreds of leaders at every level and helped the company grow into a world-renowned brand. Now he reveals the ten principles that guided his leadership—and not one of them is about coffee. Behar shows that if you think of your staff as people (not labor costs) they will achieve amazing results. He discusses the importance of building trust, telling hard truths, thinking independently, and more. And he shares inside stories of key turning points for Starbucks, as it fought to hang on to its culture while growing exponentially.

**Prescription for Excellence: Leadership Lessons for Creating a World Class Customer Experience from UCLA Health System** Joseph Michelli 2011-05-20 THE #1 NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER! “Like any business, a hospital must be true to its core values in order to succeed. ‘Trickle-down values’ start at the top with the best leadership, so that all the stakeholders understand and carry out the institution’s mission. That is the gift that David F. einberg has brought to UCLA. I am in awe of his management skills.” —Lynda Resnick, owner of Pom Wonderful, Fiji Water, Teleflora, and Wonderful Pistachios “With clear purpose, unwavering principles, and steadfast leadership, the people at UCLA have established a new bar, a compelling promise, for what healthcare can and should be.” —David M. Lawrence, M.D., former CEO, Kaiser Permanente “An absorbing and educational account of a large institution’s astonishing transformation. The strong, courageous, and focused leadership of David Feinberg and his outstanding team is evident on every page. A tremendous lesson for all large enterprises.” —William E. Simon, Jr., cochairman, William E. Simon & Sons “Most leadership authors describe how to apply common-sense principles. Michelli is a notable exception. He artfully describes the compelling, uncommon leadership practices that transformed UCLA Health System. The resulting lessons are plentiful and powerful for today’s business leader.” —Lee J. Colan, Ph.D., author of Sticking to It: The Art of Adherence About the Book: Joseph Michelli, author of The Starbucks Experience and The New Gold Standard, is among the world’s top authorities on the principles of creating an organizational culture dedicated to service excellence. In these bestselling books, he examines how leading service companies dominate their respective industries with innovative customer experience strategies. Now, Michelli turns his attention to one of the most complex, controversial, and critical industries—healthcare. In Prescription for Excellence, Michelli provides an inside look at an organization that has become the envy of its industry—and explains how you can dominate your own industry by using the same approach. UCLA Health System is revered worldwide for its top-tier patient/customer care. Great physicians, nurses, researchers, and staff are only part of the equation; UCLA’s overall success is a result of organization-wide collaboration that is driven by leaders with a shared vision of unyielding excellence. Michelli breaks down UCLA’s approach into five simple principles: Commit to Care Leave No Room for Error Make the Best Better Create the Future Service Serves Us From administrative offices to operating rooms to research centers, continued adherence to these five principles has guided UCLA to financial strength, social significance, and sustainability. The best part is that these principles translate to any industry, so you, too, can achieve similar goals. Michelli gives you the tools to adapt UCLA’s ideas, systems, and leadership principles into your own best practices. Whether it is a healthcare organization, a financial institution, or a neighborhood hair salon, good business begins and ends with customer connection. When all workers in an organization focus on providing quality care for those they serve, success inevitably follows. Business is always personal; UCLA’s leadership ensures that this simple truth drives every UCLA employee, every day. Apply the lessons Michelli spells out in Prescription for Excellence to create a system that ensures that your people take business personally, day in and day out.

**Customer Experience** Don Peppers 2016-04-30 When it comes to customer experience, Don Peppers is one of the world's most respected authorities. Over the last twenty years he and co-author Martha Rogers have written a series of best-selling books on the subject, collectively selling over a million copies in 18 languages. Businessweek Magazine called one of their books “the bible of the new marketing,” Accenture listed Don among the “Top 100 Business Intellectuals,” and The Times of London listed him as one of the “Top 50 Business Brains.” In 2015 Don Peppers capped the list of “Top 25 Customer Experience Leaders” compiled by Satmetrix, based on factors including Klout score, LinkedIn presence, book sales, and “creation of an industry-changing methodology.” So if you're looking for advice on how to think about, improve, and deliver a better customer experience, then this is the book for you. Organized as a series of short, easily digested and self-contained essays, it's packed with concrete examples, suggestions, and inspiring ideas. Read it straight through, or snack on it as you like.

**Never Lose a Customer Again** Joey Coleman 2018-04-03 Award-winning speaker and business consultant Joey Coleman teaches audiences and companies all over the world how to turn a one-time purchaser into a lifelong customer. Coleman's theory of building customer loyalty isn't about focusing on marketing or closing the sale: It's about the First 100 Days® after the sale and the interactions the customer experiences. While new customers experience joy, euphoria, and

excitement, these feelings quickly shift to fear, doubt, and uncertainty as buyer's remorse sets in. Across all industries, somewhere between 20%-70% of newly acquired customers will stop doing business with a company within the first 100 days of being a new customer because they feel neglected in the early stages of customer onboarding. In Never Lose a Customer Again, Coleman offers a philosophy and methodology for dramatically increasing customer retention and as a result, the bottom line. He identifies eight distinct emotional phases customers go through in the 100 days following a purchase. From an impulse buy at Starbucks to the thoughtful purchase of a first house, all customers have the potential to experience the eight phases of the customer journey. If you can understand and anticipate the customers' emotions, you can apply a myriad of tools and techniques -- in-person, email, phone, mail, video, and presents -- to cement a long and valuable relationship. Coleman's system is presented through research and case studies showing how best-in-class companies create remarkable customer experiences at each step in the customer lifecycle. In the “Acclimate” stage, customers need you to hold their hand and over-explain how to use your product or service. They're often too embarrassed to admit they're confused. Take a cue from Canadian software company Policy Medical and their challenge of getting non-technical users to undergo a complex installation and implementation process. They turned a series of project spreadsheets and installation manuals into a beautiful puzzle customers could assemble after completing each milestone. In the “Adopt” stage, customers should be welcomed to the highest tier of tribal membership with both public and private recognitions. For instance, Sephora's VIB Rouge member welcome gift provides a metallic membership card (private recognition) and a members-only shade of lipstick (for public display). In the final stage, “Advocate,” loyal customers and raving fans are primed to provide powerful referrals. That's how elite entrepreneurial event Mastermind Talks continues to sell-out their conference year after year - with zero dollars spent on marketing. By surprising their loyal fans with amazing referral bonuses (an all-expenses paid safari?!) they guarantee their community will keep providing perfect referrals. Drawing on nearly two decades of consulting and keynoting, Coleman provides strategies and systems to increase customer loyalty. Applicable to companies in any industry and of any size (whether measured in employee count, revenue, or total number of customers), implementing his methods regularly leads to an increase in profits of 25-100%. Working with well-known clients like Hyatt Hotels, Zappos, and NASA, as well as mom-and-pop shops and solo entrepreneurs around the world, Coleman's customer retention system has produced incredible results in dozens of industries. His approach to creating remarkable customer experiences requires minimal financial investment and will be fun for owners, employees, and teams to implement. This book is required reading for business owners, CEOs, and managers - as well as sales and marketing teams, account managers, and customer service representatives looking for easy to implement action steps that result in lasting change, increased profits, and lifelong customer retention.

**The Old Man Mad about Drawing** François Place 2004 Tojiro, a young seller of rice cakes in the Japanese capital of Edo, later known as Tokyo, is amazed to discover that the grumpy and shabby old man who buys his cakes is a famous artist renowned for his sketches, prints, and paintings of flowers, animals, and landscapes.

**Shut Up and Listen!** Tilman Fertitta 2019-09-17 Shut Up and Listen! is a true leadership roadmap to the summit of career success and satisfaction, featuring concise principles for entrepreneurs and business leaders at any level. Tilman Fertitta, also known as the Billion Dollar Buyer, started his hospitality empire thirty years ago with just one restaurant. Over the years, he's stayed true to the principles that helped him build the largest single-shareholder company in America, with over \$4 billion in revenue, including hundreds of restaurants (Landry's Seafood, Bubba Gump Shrimp Company, Morton's Steakhouse, Mastro's, Rainforest Café, and over forty more restaurant concepts) and five Golden Nugget Casinos. He's also sole owner of the NBA's Houston Rockets. This book shares the key insights that made it all possible. In Shut Up and Listen!, Fertitta shares straight-talk “Tilmanisms” around six key action items that any entrepreneur can adopt today: Be the Bull No Spare Customers Change, Change, Change Know Your Numbers Follow the 95/5 Rule Take No Out of Your Vocabulary For aspiring entrepreneurs or people in business, this guide will help you take your company to the next level. When you put this book down, you'll know what you're doing right and what you're doing wrong to operate your business, and if you're just getting started, it will help set you up for success. A groundbreaking, no-holds-barred book, Shut Up and Listen! offers practical, hard-earned wisdom from one of the most successful business owners in the world.

**When Fish Fly** Joseph Michelli 2004-08-04 “You can energize your people and delight your customers by modeling the fabulous ideas that come from the World Famous Pike Place Fish Market.” -- Ken Blanchard, co-author of The One Minute Manager In this revealing business advice book, the magic of the World Famous Pike Place Fish Market proves a dynamic example of what a group of people can create when they are aligned and living a powerful vision. Here for the first time, owner John Yokoyama explains in his own words just how he transformed his business into a workplace that is renowned worldwide. When Fish Fly offers Yokoyama's cohesive strategy for achieving world famous results for owners, managers, and front-line workers alike. Once you understand the generative principles behind the World Famous Pike Place Fish Market you, too, can develop a culture that leads to excellent employee morale and legendary customer service.

**How the Mighty Fall** Jim Collins 2011-09-06 Decline can be avoided. Decline can be detected. Decline can be reversed. Amidst the desolate landscape of fallen great companies, Jim Collins began to wonder: How do the mighty fall? Can decline be detected early and avoided? How far can a company fall before the path toward doom becomes inevitable and unshakable? How can companies reverse course? In How the Mighty Fall, Collins confronts these questions, offering leaders the well-founded hope that they can learn how to stave off decline and, if they find themselves falling, reverse their course. Collins' research project—more than four years in duration—uncovered five step-wise stages of decline: Stage 1: Hubris Born of Success Stage 2: Undisciplined Pursuit of More Stage 3: Denial of Risk and Peril Stage 4: Grasping for Salvation Stage 5: Capitulation to Irrelevance or Death By understanding these stages of decline, leaders can substantially reduce their chances of falling all the way to the bottom. Great companies can stumble, badly, and recover. Every institution, no matter how great, is vulnerable to decline. There is no law of nature that the most powerful will inevitably remain at the top. Anyone can fall and most eventually do. But, as Collins' research emphasizes, some companies do indeed recover—in some cases, coming back even stronger—even after having crashed into the depths of Stage 4. Decline, it turns out, is largely self-inflicted, and the path to recovery lies largely within our own hands. We are not imprisoned by our circumstances, our history, or even our staggering defeats along the way. As long as we never get entirely knocked out of the game, hope always remains. The mighty can fall, but they can often rise again.

**Designing Experiences** J. Robert Rossman 2019-07-23 In an increasingly experience-driven economy, companies that deliver great experiences thrive, and those that do not die. Yet many organizations face difficulties implementing a vision of delivering experiences beyond the provision of goods and services. Because experience design concepts and approaches

are spread across multiple, often disconnected disciplines, there is no book that succinctly explains to students and aspiring professionals how to design them. J. Robert Rossman and Mathew D. Duerden present a comprehensive and accessible introduction to experience design. They synthesize the fundamental theories and methods from multiple disciplines and lay out a process for designing experiences from start to finish. Rossman and Duerden challenge us to reflect on what makes a great experience from the user's perspective. They provide a framework of experience types, explaining people's engagement with products and services and what makes experiences personal and fulfilling. The book presents interdisciplinary research underlying key concepts such as memory, intentionality, and dramatic structure in a down-to-earth style, drawing attention to both the macro and micro levels. Designing Experiences features detailed instructions and numerous real-world examples that clarify theoretical principles, making it useful for students and professionals. An invaluable overview of a growing field, the book provides readers with the tools they need to design innovative and indelible experiences and to move their organizations into the experience economy. Designing Experiences features a foreword by B. Joseph Pine II.

**Radical Candor: Fully Revised & Updated Edition** Kim Scott 2019-10-01 \* New York Times and Wall Street Journal bestseller multiple years running \* Translated into 20 languages, with more than half a million copies sold worldwide \* A Hudson and Indigo Best Book of the Year \* Recommended by Shona Brown, Rachel Hollis, Jeff Kinney, Daniel Pink, Sheryl Sandberg, and Gretchen Rubin Radical Candor has been embraced around the world by leaders of every stripe at companies of all sizes. Now a cultural touchstone, the concept has come to be applied to a wide range of human relationships. The idea is simple: You don't have to choose between being a pushover and a jerk. Using Radical Candor—avoiding the perils of Obnoxious Aggression, Manipulative Insincerity, and Ruinous Empathy—you can be kind and clear at the same time. Kim Scott was a highly successful leader at Google before decamping to Apple, where she developed and taught a management class. Since the original publication of Radical Candor in 2017, Scott has earned international fame with her vital approach to effective leadership and co-founded the Radical Candor executive education company, which helps companies put the book's philosophy into practice. Radical Candor is about caring personally and challenging directly, about soliciting criticism to improve your leadership and also providing guidance that helps others grow. It focuses on praise but doesn't shy away from criticism—to help you love your work and the people you work with. Radically Candid relationships with team members enable bosses to fulfill their three core responsibilities: 1. Create a culture of Compassionate Candor 2. Build a cohesive team 3. Achieve results collaboratively Required reading for the most successful organizations, Radical Candor has raised the bar for management practices worldwide.

**Creating Magic** Lee Cockerell 2008 Drawing on the concepts and principles taught at the Disney Institute, a former Disney executive introduces a series of strategies designed to promote "magic" within any organization, enhanced by real-life anecdotes and sound business advice.

**The New Gold Standard: 5 Leadership Principles for Creating a Legendary Customer Experience** Courtesy of the Ritz-Carlton Hotel Company Joseph A. Michelli 2008-07-01 Discover the secrets of world-class leadership! When it comes to refined service and exquisite hospitality, one name stands high above the rest: The Ritz-Carlton Hotel Company. With ceaseless attention to every luxurious detail, the company has set the bar for creating memorable customer experiences in world-class settings. Now, for the first time, the leadership secrets behind the company's extraordinary success are revealed. The New Gold Standard takes you on an exclusive tour behind the scenes of The Ritz-Carlton Hotel Company. Granted unprecedented access to the company's executives, staff, and its award-winning Leadership Center training facilities, bestselling author Joseph Michelli explored every level of leadership within the organization. He emerged with the key principles leaders at any company can use to provide a customer experience unlike any other, such as: Understanding the ever-evolving needs of customers Empowering employees by treating them with the utmost respect Anticipating customers' unexpressed needs and concerns Developing and conducting an unsurpassed training regimen Sharing engaging stories from the company's employees--from the corporate office and hotels around the globe--Michelli describes the innovative methods the company uses to create peerless guest experiences and explains how it constantly hones and improves them. The New Gold Standard weaves practical how-to advice, proven leadership tools, and the wisdom of experts to help you create and embed superior customer-service principles, processes, and practices in your own organization.

**Woo, Wow, and Win** Thomas A. Stewart 2016-11-29 In this pioneering guide, two business authorities introduce the new discipline of Service Design and reveal why trying new strategies for pleasing customers isn't enough to differentiate your business—it needs to be designed for service from the ground up. Woo, Wow, and Win reveals the importance of designing your company around service, and offers clear, practical strategies based on the idea that the design of services is markedly different than manufacturing. Bestselling authors and business experts Thomas A. Stewart and Patricia O'Connell contend that most companies, both digital and brick-and-mortar, B2B or B2C; are not designed for service—to provide an experience that matches a customer's expectations with every interaction and serves the company's needs. When customers have more choices than ever before, study after study reveals that it's the experience that makes the difference. To provide great experiences that keep customers coming back, businesses must design their services

with as much care as their products. Service Design is proactive—it is about delivering on your promise to customers in accordance with your strategy, not about acceding to customer dictates. Woo, Wow, and Win teaches you how to create "Ahhh" moments when the customer makes a positive judgment, and to avoid "Ow" moments—when you lose a sale or worse, customer trust. Whether you're giving a haircut, selling life insurance, or managing an office building, your customer is as much a part of your business as your employees are. Together, you and customers create a bank of trust; fueled by knowledge of each other's skills and preferences. This is Customer Capital, the authors explain, and it is jointly owned. But it's up to you to manage it profitably. Innovative yet grounded in real world examples, Woo, Wow, and Win is the key strategy for winning customers—and keeping them.

**Everything But the Coffee** Bryant Simon 2011-02-09 "Simon knows more about Starbucks—and about why so many Americans find perfection in their lattes—than anyone. He connects our deepest desires to be good, smart, ethical consumers with our equally strong yearning to consume in an authentic way. Our coffee, Simon shows, is us."—Sharon Zukin, author of Naked City

**Stronger Through Adversity: World-Class Leaders Share Pandemic-Tested Lessons on Thriving During the Toughest Challenges** Joseph A. Michelli 2020-12-22 From business guru Joseph Michelli—the leadership lessons needed to thrive beyond the greatest business crisis in modern history COVID-19 has disrupted business and life in ways we never imagined. Within days of the outbreak, Joseph Michelli—the world-renowned business expert who has cracked the leadership codes of Starbucks, Airbnb, Mercedes-Benz USA, and many other top companies—went to work. He contacted 140+ senior leaders at major companies about their specific challenges and how they were meeting them—getting raw yet thoughtful real-time insights into a crisis that will define an entire generation of leaders. The result is Stronger Through Adversity. In this business guide for our times, Michelli distills best leadership practices that can be used in any company, in any industry. Organized into four main themes—Set the Foundation, Build Connections, Move with Purpose, and Harness Change—Stronger Through Adversity provides a deep dive into the methods, tactics, and approaches leaders have used to keep their company afloat and to position it for success long after the pandemic. You'll get invaluable insights into crisis management, keeping employees and customers safe, maintaining a culture of engagement, and rapidly innovating. Applying powerful leadership methods used by Microsoft, Starbucks, Google, DHL, Target, Verizon, Kohl's, Marriott, and many others, you'll seize and hold the competitive edge in your industry. Whether you run a Fortune 500 company, own a small business, or manage a department or team—this is your moment. Stronger Through Adversity delivers everything you need to prosper—to lead your people to an unprecedented recovery, to weather the toughest challenges your business faces from the pandemic and beyond, and to thrive in all storms, large and small. *The Starbucks Experience* 2018

**The Self-Destructive Habits of Good Companies** Jagdish N. Sheth 2007-04-26 Why do so many good companies engage in self-destructive behavior? This book identifies seven dangerous habits even well-run companies fall victim to—and helps you diagnose and break these habits before they destroy you. Through case studies from some of yesterday's most widely praised corporate icons, you'll learn how companies slip into "addiction" and slide off the rails...why some never turn around...and how others achieve powerful turnarounds, moving on to unprecedented levels of success. You'll learn how an obsession with volume leads inexorably to rising costs and falling margins...how companies fall victim to denial, myth, ritual, and orthodoxy... how they start wasting vital energy on culture conflict and turf wars...how they blind themselves to emerging competition...how they become arrogant, complacent, and far too dependent on their traditional competences. Most important, you'll find specific, detailed techniques for "curing"—or, better yet, preventing—every one of these self-destructive habits. The "cocoon" of denial Find it, admit it, assess it, and escape it The stigma of arrogance Escape this fault that "breeds in a dark, closed room" The virus of complacency Six warning signs and five solutions The curse of incumbency Stop your core competencies from blinding you to new opportunities The threat of myopia Widen your view of your competitors—and the dangers they pose The obsession of volume Get beyond "rising volumes and shrinking margins" The territorial impulse Break down the silos, factions, fiefdoms, and ivory towers
