*Release the Dogs of War* Michael Anderle 2017-12-15 Stephen walked into the office which Barnabas was using as his judge's chamber. While the massive amount of data Bethany Anne's team was throwing at him was more than enough to assuage his curiosity, he had never felt this way in the last one hundred and fifty-two years. He wanted a vacation. He pulled the top manila-folder and took a look at the name, "Clarissa Bernier, CEO." He opened the folder, and it was now in the agreed upon fashion. There was one page with her typical information of name, age, location, and a two paragraph background and the requested punishment. It was a type of joke now between Barnabas and Bethany Anne. No matter the requested punishment, she would strike it out and write "DEATH" and put a happy face on, with fangs. It let him know that she was not letting up on her desire to make a lot of people pay for Michael's death. The team had already executed six individuals across the world in the last three months. Sean Truitt was just the first one. Stephen interrupted him, "You look tired," he spoke as he took a seat in one of the two blue chairs facing Barnabas's desk. Barnabas leaned back, keeping

the folder open, "Is she serious?" He pointed to the document, "Even ADAM, using our agreed punishment matrix is calling for this lady to be punished financially." He closed the folder, "She walks the line towards Michael all the time, brother..." To be continued ...

World's Worst Day Ever Craig Martelle  
2017-05 A resource for fans of The Kurtherian Gambit. End of the world as we know it. Plausible. Scary in its simplicity. Horrible in its effect. Set in the Kurtherian Gambit Universe, this story explains how a few mistakes can have grave consequences. Unfortunately, the

technology in the following short story is real. Yes, this could happen. Dammit. Who wants to really dwell on these things? This story was written by Craig Martelle, based on the original WWDE Document as authored by Jeff Morris. You get both in this one short story which gives you insight into how a fiction author takes a technical document and makes a story out of it. Otherwise, I would label this, "Crap, I don't want to ever, ever, ever think about."

**Silence** Michelle Sagara 2012-05-01  
The haunting beginning to Michelle Sagara's young adult paranormal trilogy, *Queen of the Dead*. It began in the graveyard... Ever since her boyfriend Nathan had died in a tragic accident, Emma had been coming to the graveyard at night. During the day she went through the motions at her prep school, in class, with her friends, but that's all it was. For Emma, life had stopped with Nathan's death. But tonight was different. Tonight Emma and her dog were not alone in the cemetery. There were two others there—Eric, who had just started at her school, and an ancient woman who looked as though she were made of rags. And when they saw Emma there, the old woman reached out to her with a grip as chilling as death.... Emma was not quite like other girls. It was true that other girls had experienced grief. Other girls had also lost their fathers, or had their boyfriends die in senseless accidents. But though she hadn't known it till that night in the graveyard, unlike those other girls, she could see, touch, and speak with the dead....

When one of Bethany Anne's loved one gets caught in the crossfire between her and the Forsaken, she goes rabid in rage. She doesn't believe in seeking peace and harmony, but rather revenge and mayhem. Continuing the story of Bethany Anne and TQB team, *Love Lost* picks up after *Queen Bitch*. She works to complete both her business and military team leads and we meet Stephen's daughter Gabrielle as plans are made to exact revenge South of the Border. You don't touch one of Bethany Anne's loved ones and get away with it, no matter how far away you live. \*\*Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing.
