**The Yellow Wallpaper** Charlotte Perkins Gilman 2021-03-25 It is very seldom that mere ordinary people like John andmyself secure ancestral halls for the summer.A colonial mansion, a hereditary estate, I would say ahaunted house, and reach the height of romantic felicity-butthat would be asking too much of fate!Still I will proudly declare that there is something queerabout it.Else, why should it be let so cheaply? And why have stood solong untenanted?John laughs at me, of course, but one expects that inmarriage.John is practical in the extreme. He has no patience withfaith, an intense horror of superstition, and he scoffs openly atany talk of things not to be felt and seen and put down infigures.John is a physician, and perhaps-(I would not say it to aliving soul, of course, but this is dead paper and a great reliefto my mind)-perhaps that is one reason I do not get wellfaster.

**The Story Of An Hour** Kate Chopin 2014-04-22 Mrs. Louise Mallard, afflicted with a heart condition, reflects on the death of her husband from the safety of her locked room. Originally published in Vogue magazine, “The Story of an Hour” was retitled as “The Dream of an Hour,” when it was published amid much controversy under its new title a year later in St. Louis Life. “The Story of an Hour” was adapted to film in The Joy That Kills by director Tina Rathbone, which was part of a PBS anthology called American Playhouse. **The Yellow Wallpaper By: Charlotte Perkins (a Horror Short Stories) Annotated Edition** Charlotte Perkins Gilman 2021-06-14 How is this book unique?Font adjustments & biography includedUnabridged (100% Original content)IllustratedContain Author Biography and overview."The Yellow Wallpaper" is a 6,000-word short story by American writer Charlotte Perkins Gilman, first published in January 1892 in New England Magazine. It is regarded as an important early work of American feminist literature, illustrating attitudes in the 19th century toward women's physical and mental health.The story is written in the first person as a series of journal entries. The narrator is a woman whose husband -- a physician -- has confined her to the upstairs bedroom of a house he has rented for the summer. She is forbidden from working and has to hide her journal entries from him so that she can recuperate from what he has diagnosed as a "temporary nervous depression -- a slight hysterical tendency;" a diagnosis common to women in that period. The windows of the room are barred, and there is a gate across the top of the stairs, allowing her husband to control her access to the rest of the house.The story illustrates the effect of confinement on the narrator's mental health, and her descent into psychosis. With nothing to stimulate her, she becomes obsessed by the pattern and color of the room's wallpaper.

*The Yellow Wallpaper Illustrated* Charlotte Perkins Gilman 2021-06-17 "The Yellow Wallpaper" is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine.[1] It is regarded as an important early work of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women during that period

*Feminist Moments* Susan Bruce 2015-12-17 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. The challenges presented by feminism to traditional understandings of representation, normative values, power relations and the political are not simply the product of late-20th century thinking. Feminist Moments, in examining some of the pivotal texts in the history of feminist thought, demonstrates that these challenges emerge from a long and varied history of feminist writing. The volume brings together texts from literary and analytical works written by women and men, and from inside and outside the Western tradition, including Mary Wortley Montagu, Anna Wheeler and William Thompson, Nazira Zineeddine, Betty Friedan, Andrea Dworkin and Luisa Valenzuela. The volume is unique in offering close readings of key passages from the selected texts, making it ideal for classroom use; its original essays, all authored by specialists, will also be of interest to more advanced scholars. In juxtaposing and analysing a wide range of texts which despite their significance are rarely discussed together, Feminist Moments provides a fascinating historical narrative of feminist thought which will be highly valuable to students and scholars of the history of political thought, political philosophy and gender and literary studies.

*Talking to Strangers* Malcolm Gladwell 2019-09-10 Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller Outliers, offers a powerful examination of our interactions with strangers and why they often go wrong--now with a new afterward by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland--throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller David and Goliath, Malcolm Gladwell has written a gripping guidebook for troubled times.

*Herland Illustrated* Charlotte Perkins Gilman 2018-10-13 Herland is a utopian novel from 1915, written by feminist Charlotte Perkins Gilman. The book describes an isolated society composed entirely of women, who reproduce via parthenogenesis (asexual reproduction). The result is an ideal social order: free of war, conflict, and domination. It was first published in monthly installments as a serial in 1915 in The Forerunner, a magazine edited and written by Gilman between 1909 and 1916, with its sequel, With Her in Ourland beginning immediately thereafter in the January 1916 issue. The book is often considered to be the middle volume in her utopian trilogy; preceded by Moving the Mountain (1911), and followed by, With Her in Ourland (1916). It was not published in book form until 1979.

**The Herland Trilogy: Moving the Mountain, Herland, With Her in Ourland (Utopian Classic)** Charlotte Perkins Gilman 2015-04-01 This carefully crafted ebook: "The Herland Trilogy: Moving the Mountain, Herland, With Her in Ourland (Utopian Classic)" is formatted for your eReader with a functional and detailed table of contents. Moving the Mountain is a feminist utopian novel. The book was one element in the major wave of utopian and dystopian literature that marked the later nineteenth and early twentieth centuries. Perkins sends a man forward in time to a better world, but gives him deep difficulties in adjusting to it. Herland describes an isolated society composed entirely of women who reproduce via parthenogenesis. The result is an ideal social order, free of war, conflict and domination. The story is told from the perspective of Van Jennings, a student of sociology who, along with two friends, Terry O. Nicholson and Jeff Margrave, forms an expedition party to explore an area of unchartered land where it is rumored lives a society consisting entirely of women. The three friends do not really believe the rumors as they are unable to conceive of how human reproduction could occur without males. The men speculate about what a society of women would be like, each guessing differently based on the stereotype of women which he holds most dear... With Her in Ourland draws a contrast between Gilman's idealized vision of a feminist society in Herland and the darker realities of real, outside, male-dominated world. Charlotte Perkins Gilman (1860-1935) was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform.

*The Literary Ladies' Guide to the Writing Life* Nava Atlas 2011 Nava Atlas presents twelve celebrated women authors and draws on their diaries, letters, memoirs, and interviews to show how they expressed their views on the subjects of importance to every writer, from carving out time to write, to conquering their inner demons, to developing a "voice," to balancing the demands of family life with needs to write. Atlas provides her own illuminating commentary as well and reveals how the lessons of classic women writers of the past still resonate with women writing today.

**Drug Use for Grown-Ups** Dr. Carl L. Hart 2022-01-11 “Hart’s argument that we need to drastically revise our current view of illegal drugs is both powerful and timely . . . when it comes to the legacy of this country’s war on drugs, we should all share his outrage.” –The New York Times Book Review From one of the world’s foremost experts on the subject, a powerful argument that the greatest damage from drugs flows from their being illegal, and a hopeful reckoning with the possibility of their use as part of a responsible and happy life Dr. Carl L. Hart, Ziff Professor at Columbia University and former chair of the Department of Psychology, is one of the world’s preeminent experts on the effects of so-called recreational drugs on the human mind and body. Dr. Hart is open about the fact that he uses drugs himself, in a happy balance with the rest of his full and productive life as a researcher and professor, husband, father, and friend. In Drug Use for Grown-Ups, he draws on decades of research and his own personal experience to argue definitively that the criminalization and demonization of drug use –not drugs themselves– have been a tremendous scourge on America, not least in reinforcing this country’s enduring structural racism. Dr. Hart did not always have this view. He came of age in one of Miami’s most troubled neighborhoods at a time when many ills were being laid at the door of crack cocaine. His initial work as a researcher was aimed at proving that drug use caused bad outcomes. But one problem kept cropping up: the evidence from his research did not support his hypothesis. From inside the massively well-funded research arm of the American war on drugs, he saw how the facts did not support the ideology. The truth was dismissed and distorted in order to keep fear and outrage stoked, the funds rolling in, and Black and brown bodies behind bars. Drug Use for Grown-Ups will be controversial, to be sure: the propaganda war, Dr. Hart argues, has been tremendously effective. Imagine if the only subject of any discussion about driving automobiles was fatal car crashes. Drug Use for Grown-Ups offers a radically different vision: when used responsibly, drugs can enrich and enhance our lives. We have a long way to go, but the vital conversation this book will generate is an extraordinarily important step.

*We the Corporations: How American Businesses Won Their Civil Rights* Adam Winkler 2018-02-27 A landmark exposé and “deeply engaging legal history” of one of the most

successful, yet least known, civil rights movements in American history (Washington Post). In a revelatory work praised as “excellent and timely” (New York Times Book Review, front page), Adam Winkler, author of Gunfight, once again makes sense of our fraught constitutional history in this incisive portrait of how American businesses seized political power, won “equal rights,” and transformed the Constitution to serve big business. Uncovering the deep roots of Citizens United, he repositions that controversial 2010 Supreme Court decision as the capstone of a centuries-old battle for corporate personhood. “Tackling a topic that ought to be at the heart of political debate” (Economist), Winkler surveys more than four hundred years of diverse cases—and the contributions of such legendary legal figures as Daniel Webster, Roger Taney, Lewis Powell, and even Thurgood Marshall—to reveal that “the history of corporate rights is replete with ironies” (Wall Street Journal). We the Corporations is an uncompromising work of history to be read for years to come.

**The Shame** Makenna Goodman 2020-08-11 A “startlingly original” novel of “recursive loops through the mind of a woman who is breaking down from not making the art she absolutely must make” (Alexander Chee, Paris Review). Alma and her family live close to the land, raising chickens and sheep. While her husband works at a nearby college, she stays home with their young children, cleans, searches for secondhand goods online, and reads books by the women writers she adores. Then, one night, she abruptly leaves it all behind—speeding through the darkness, away from their Vermont homestead, bound for New York. In a series of flashbacks, Alma reveals the circumstances and choices that led to this moment: the joys and claustrophobia of their remote life; her fears and uncertainties about motherhood; the painfully awkward faculty dinners; her feelings of loneliness and failure; and her growing fascination with Celeste, a mysterious ceramicist and self-loving doppelgänger who becomes an obsession for Alma. A fable both blistering and surreal, The Shame is a propulsive, funny, and thought-provoking debut about a woman in isolation, whose mind–fueled by capitalism, motherhood, and the search for meaningful art–attempts to betray her. A Harvard Review Favorite Book of 2020, Selected by Miciah Bay Gault

**Life Undercover** Amaryllis Fox 2019-10-15 INSTANT NEW YORK TIMES BESTSELLER “Fast and thrilling . . . Life Undercover reads as if a John le Carré character landed in Eat Pray Love.” –The New York Times Amaryllis Fox's riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world's most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover--the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent--an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

**The Four Winds** Kristin Hannah 2021-02-02 "The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa–like so many of her neighbors–must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it–the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

**Herland** Charlotte Perkins Gilman 2016-07-23 ""This is written from memory, unfortunately. If I could have brought with me the material I so carefully prepared, this would be a very different story. Whole books full of notes, carefully copied records, firsthand descriptions, and the pictures - that's the worst loss. We had some bird's-eyes of the cities and parks; a lot of lovely views of streets, of buildings, outside and in, and some of those gorgeous gardens, and, most important of all, of the women themselves. Nobody will ever believe how they looked. Descriptions aren't any good when it comes to women, and I never was good at descriptions anyhow. But it's got to be done somehow; the rest of the world needs to know about that country.""

**Behind the Yellow Wallpaper** Farah Ahamed 2014-06-09 “The Yellow Wallpaper” by Charlotte Perkins Gilman is a feminist classic, a haunting critique of the isolation treatment for female hysteria wrapped up in a superb psychological horror story. Over a century later women are still battling gender bias in the treatment of mental illness. Here are 15 stories of very different women who have in common the fact that they are fighting for control of their worlds and of their minds. Traci Orsi's "Waiting for Jordan" finds Julia hallucinating at home when her husband is shipped off to Iraq. Leah Chaffin's "Last Caress" delves into the sad and savage story of a rare female serial killer while in "An Obedient Girl" Amy Bridges relates her experience as an average girl who has a singular experience with a lobotomized woman. Age, religion, motherhood, sex and work life are all explored in these gripping stories of women who remain Behind the Yellow Wallpaper, battling valiantly and sometimes viciously to break free by any means necessary. Each story is paired with original photographic art by Loreal Prystaj. Prystaj's dark, gripping art evoke the same despair, fear, anger, hopelessness, heartache, and fight for survival that make up these extraordinary New Tales of Madness.

**The Color Purple** Alice Walker 2011-09-20 Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband’s mistress and a jazz singer with a zest for life, and her stepson’s wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie’s sister are hidden by her husband, Nettie’s unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker “in the company of Faulkner” (The Nation), and remains a wrenching–yet intensely uplifting–experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author’s personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

**The Devil May Dance** Jake Tapper 2021-05-11 Charlie and Margaret discover the dark side of Hollywood in Jake Tapper’s follow-up to New York Times bestseller The Hellfire Club—an “excellent” cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation’s capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they’ll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood’s stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood’s power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they’ve uncovered and can’t let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to The Hellfire Club.

**New Chronicles of Rebecca** Kate Douglas Smith Wiggin 1907

**The Yellow Wallpaper Illustrated** Charlotte Perkins Gilman 2019-07-03 The story details the descent of a young woman into madness. Her supportive, though misunderstanding husband, John, believes it is in her best interests to go on a rest cure after experiencing symptoms of "temporary nervous depression". The family spends the summer at a colonial mansion that has, in the narrator's words, "something queer about it". She and her husband move into an upstairs room that she assumes was once a nursery. Her husband chooses for them to sleep there due to its multitude of windows, which provide the air so needed in her recovery. In addition to the couple, John's sister Jennie is present; she serves as their housekeeper. Like most nurseries at the time the windows are barred, the wallpaper has been torn, and the floor is scratched. The narrator attributes all these to children, as most of the damage is isolated to their reach. Ultimately, though, readers are left unsure as to the source of the room's state, leading them to see the ambiguities in the unreliability of the narrator.The narrator devotes many journal entries to describing the wallpaper in the room - its "yellow" smell, its "breakneck" pattern, the missing patches, and the way it leaves yellow smears on the skin and clothing of anyone who touches it. She describes how the longer one stays in the bedroom, the more the wallpaper appears to mutate, especially in the moonlight. With no stimulus other than the wallpaper, the pattern and designs become increasingly intriguing to the narrator. She soon begins to see a figure in the design, and eventually comes to believe that a woman is creeping on all fours behind the pattern. Believing she must try to free the woman in the wallpaper, the woman begins to strip the remaining paper off the wall.After many moments of tension between John and his sister, the story climaxes with the final day in the house. On the last day of summer, she locks herself in her room to strip the remains of the wallpaper. When John arrives home, she refuses to unlock the door. When he returns with the key, he finds her creeping around the room, circling the walls and touching the wallpaper. She excitedly exclaims, "I've got out at last... in spite of you and Jane", causing her husband to faint as she continues to circle the room, creeping over his inert body each time she passes it, believing herself to have become the personification of the woman trapped behind the yellow wallpaper.

*Under Another Sky* Charlotte Higgins 2015-08-04 What does Roman Britain mean to us now? How were its physical remains rediscovered and made sense of? How has it been reimagined, in story and song and verse? Sometimes on foot, sometimes in a magnificent, if not entirely reliable, VW camper van, Charlotte Higgins sets out to explore the ancient monuments of Roman Britain. She explores the land that was once Rome's northermost territory and how it has changed since the years after the empire fell. Under

Another Sky invites us to see the British landscape, and British history, in an entirely fresh way: as indelibly marked by how the Romans first imagined and wrote, these strange and exotic islands, perched on the edge of the known world, into existence.

*Literature and Gender* Lizbeth Goodman 2013-04-15 Literature and Gender combines an introduction to and an anthology of literary texts which powerfully demonstrate the relevance of gender issues to the study of literature. The volume covers all three major literary genres - poetry, fiction and drama - and closely examines a wide range of themes, including: femininity versus creativity in women's lives and writing the construction of female characters autobiography and fiction the gendering of language the interaction of race, class and gender within writing, reading and interpretation. Literature and Gender is also a superb resource of primary texts, and includes writing by: Sappho Emily Dickinson Sylvia Plath Tennyson Elizabeth Bishop Louisa May Alcott Virginia Woolf Jamaica Kincaid Charlotte Perkins Gilman Susan Glaspell Also reproduced are essential essays by, among others, Maya Angelou, Sandra Gilbert and Susan Gubar, Toni Morrison, Elaine Showalter, and Alice Walker. No other book on this subject provides an anthology, introduction and critical reader in one volume. Literature and Gender is the ideal guide for any student new to this field.

**Invisible Man** Ralph Ellison 2014-08-14 'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

**The Eighth Girl** Maxine Mei-Fung Chung 2020-03-17 Optioned by Netflix and a most anticipated book from Bustle, The Rumpus, Electric Literature, and LiHub! An unsettling, seductive psychological thriller about a young woman with multiple personalities, perfect for fans of Caroline Kepnes and Clare Mackintosh "An electrifying, thought-provoking, and unflinching novel." –Jean Kwok, New York Times bestselling author of Searching for Sylvie Lee "An exceptional debut from a talented author." –Clare Mackintosh, New York Times bestselling author of I Let You Go Beautiful. Damaged. Destructive. Meet Alexa Wu, a brilliant yet darkly self-aware young woman whose chaotic life is controlled by a series of alternate personalities. When Alexa's friend Ella gets a job at a high-end gentlemen's club, she catches the attention of its shark-like owner and is gradually drawn into his inner circle. As Alexa's world becomes intimately entangled with Ella's, she soon finds herself the unwitting keeper of a nightmarish secret as she follows Ella into London's cruel underbelly. Threatened and vulnerable, Alexa will discover whether her multiple personalities are her greatest asset, or her most dangerous obstacle. Electrifying and breathlessly compulsive, *The Eighth Girl* is an omnivorous examination of life with mental illness and the acute trauma of living in a misogynist world. With bingeable prose and a clinician's expertise, Chung's psychological debut deftly explores identity, innocence, and the fracturing weight that young women are forced to carry, causing us to ask: Does the truth lead to self-discovery, or to self-destruction?

**A Promised Land** Barack Obama 2020-11-17 A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy

**#1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire** In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

*The Yellow Wallpaper and Other Writings* Charlotte Perkins Gilman 2019-08-06 Part of the Gibbs Smith Women's Voices series: A collection of literary voices written by, and for, extraordinary women—to encourage, challenge, and inspire. Charlotte Perkins Gilman (1860–1935) championed women's rights in her prolific fiction, nonfiction, and poetry. Discover three influential works by one of America's first feminists in their unabridged form: the short story *The Yellow Wallpaper*, a haunting interpretation of postpartum depression; the feminist utopian novel *Herland*; and *Women and Economics*, which when published in 1898 established Gilman as a sociologist, philosopher, ethicist, and social critic, and is considered by many to be her greatest work. Continue your journey in the Women's Voices series with *Jane Eyre*, by Charlotte Bronte (ISBN: 978-1-4236-5099-7), *The Feminist Papers*, by Mary Wollstonecraft (ISBN: 978-1-4236-5097-3), *Hope Is the Thing with Feathers*, the complete poems of Emily Dickinson (ISBN: 978-1-4236-5098-0), and *Little Women*, by Louisa May Alcott (ISBN: 978-1-4236-5211-3).

**Recovering from Biblical Manhood and Womanhood: How the Church Needs to Rediscover Her Purpose** Aimee Byrd 2020-05-05 This book dismantles every mistruth that you've heard about the role of women in the Bible, her place in the church, and the patriarchal lie of so-called “biblical manhood and womanhood.” In its place, Aimee Byrd details a truly biblical vision of women as equal partners in Christ's church and kingdom. The church is the school of Christ, commissioned to discipleship. The responsibility of every believer—men and women together—is being active and equal participants in and witnesses to the faith. And yet many women are trying to figure out what their place is in the church, fighting to have their voices heard and filled with questions: Do men and women benefit equally from God's word? Are we equally responsible in sharpening one another in the faith and passing it down to the next generation? Do we really need men's Bibles and women's Bibles, or can the one Holy Bible guide us all? The answers lie neither with radical feminists, who claim that the Bible is hopelessly patriarchal, nor with the defenders of “biblical manhood,” whose understanding of Scripture is captive to the culture they claim to distance themselves from. *Recovering from Biblical Manhood and Womanhood* presents a more biblical account of gender, marriage, and ministry. It explores the feminine voice in Scripture as synergistic with the dominant male voice. It fortifies churches in a biblical understanding of brotherhood and sisterhood in God's household and the necessity of learning from one another in studying God's word. Until both men and women grow in their understanding of their relationship to Scripture, there will continue to be tension between the sexes in the church. Church leaders can be engaged in thoughtful critique of the biblical manhood and womanhood movement, the effects it has on their congregation, and the homage it ironically pays to the culture of individualism that works against church, family, and a Christ-like vision of community.

**Women and Economics Illustrated** Charlotte Perkins Gilman 2021-04-27 Startling in its observations and radical in its conclusions, this classic of women's rights literature, this work-by pioneering American feminist CHARLOTTE PERKINS GILMAN (1860-1935)-was a phenomenon when it was first published in 1898, and was eventually translated into seven languages and reprinted around the world. From her characterization of women as virtual economic, social, and sexual slaves, dependent on men for everything from food to friendship to protection, to her call for women to free themselves from these shackles, *Women and Economics* electrified Victorian readers. It remains a foundational work of feminist theory, essential reading for anyone wishing to understand women's struggle for full and self-determined personhood.

**THE BRIDE COMES TO YELLOW SKY** Stephen Crane 2017-12-06 *The Bride Comes to Yellow Sky* is an 1898 western short story by American author Stephen Crane. Originally published in McClure's Magazine, it was written in England. The story's protagonist is a Texas marshal named Jack Potter, who is returning to the town of Yellow Sky with his eastern bride. Potter's nemesis, the gunslinger Scratchy Wilson, drunkenly plans to accost the sheriff after he disembarks the train, but he changes his mind upon seeing the unarmed man with his bride. Stephen Crane (1871-1900) was an American novelist, short-story writer, and poet who is often called the first modern American writer.

**The Tell-Tale Heart** Edgar Allan Poe 2020-08-26 Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

**The Yellow Wallpaper & Herland** Charlotte Perkins Gilman 2021-06-24 Charlotte Perkins Gilman's progressive views on feminism and mental health are powerfully showcased in her two most famous stories. The *Yellow Wallpaper* skillfully charts one woman's struggle with depression whilst *Herland* is an entertaining imagining of an all female utopia. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition is introduced by journalist and author Lucy Mangan. Confined to her attic bedroom and isolated from her newborn baby, the nameless narrator of *The Yellow Wallpaper* keeps a secret diary in which she records the sprawling and shifting patterns of the room's lurid yellow wallpaper as she slowly sinks into madness. This chilling story is based on the author's own experience of depression. In *Herland*, a trio of men set out to discover an all-female community rumoured to be hidden deep in the jungle. What they find surprises them all; they're captured by women who, for two thousand years, have lived in a peaceful and prosperous utopia without men.
